 - b. No new information of substantial importance to the Project has become available which was not known or could not have been known with the exercise of reasonable diligence at the time the MEIR/SEIR for the Project was certified as complete, and which shows that the Museum of Contemporary Art/San Diego, Santa Fe Depot Project will have any significant effects not discussed previously in the MEIR/SEIR, or that any significant effects previously examined will be substantially more severe than shown in the MEIR/SEIR, or that any mitigation measures or alternatives previously found not to be feasible or not previously considered would substantially reduce or lessen any significant effects of the Museum of Contemporary Art/San Diego, Santa Fe Depot Project on the environment; and
