

(RA-93-2)
REDEVELOPMENT AGENCY OF
THE CITY OF SAN DIEGO
RESOLUTION NO. 2119
ADOPTED ON JULY 28, 1992

A RESOLUTION OF THE REDEVELOPMENT AGENCY OF THE CITY OF SAN DIEGO CERTIFYING THE FINAL ENVIRONMENTAL IMPACT REPORT FOR THE CENTRAL IMPERIAL REDEVELOPMENT PROJECT AS IT PERTAINS TO THE CENTRAL IMPERIAL REDEVELOPMENT PROJECT AND THE IMPLEMENTATION ACTIVITIES THEREFOR, MAKING CERTAIN FINDINGS REGARDING THE ENVIRONMENTAL IMPACTS OF THE PROPOSED REDEVELOPMENT PROJECT, ADOPTING A REPORTING AND MONITORING PROGRAM, AND ADOPTING A STATEMENT OF OVERRIDING CONSIDERATIONS.

WHEREAS, the Redevelopment Agency of The City of San Diego (the "Agency") has prepared a proposed redevelopment plan for the Central Imperial Redevelopment Project (the "Project"); and

WHEREAS, the Agency, as lead agency, is responsible for preparing an Environmental Impact Report ("EIR") to assess the environmental impacts which may result from the Project; and

WHEREAS, a Draft EIR was prepared and circulated for review, comment and consultation with citizens, professional disciplines and public agencies pursuant to the California Environmental Quality Act of 1970 ("CEQA") and state and local guidelines and regulations adopted pursuant thereto; and

WHEREAS, a duly noticed public hearing was held by the Agency with respect to the Draft EIR, at which all interested persons and organizations were given an opportunity to be heard; and

WHEREAS, the Final EIR, relating to the proposed redevelopment plan for the Project and responding to the concerns raised during the review period and at the public hearing, has been prepared pursuant to CEQA and the guidelines and regulations; and

WHEREAS, the Agency, in connection with its consideration of the approval of the proposed redevelopment plan for the Project, has reviewed and considered the information contained in the Final EIR; NOW, THEREFORE,

BE IT RESOLVED, by the Redevelopment Agency of The City of San Diego, as follows:

1. That the Agency hereby certifies that the Final EIR for the Central Imperial Redevelopment Project has been prepared and completed in compliance with CEQA and state and local guidelines and regulations adopted pursuant thereto, and is on file in the office of the Secretary to the Agency as Document No. 1943.

2. That the Agency hereby further certifies that the information contained in the Final EIR has been reviewed and considered by the members of the Agency.

3. That the Agency hereby finds and determines that:

a. The Project will not result in significant environmental effects in certain respects identified in the Final EIR, as described in Section I of Document No. 1943.

b. Changes or alterations have been required in, or incorporated into, the Project which avoid or substantially lessen certain significant environmental effects of the Project identified in the Final EIR, as described in Section II of Document No. 1943.

c. Changes or alterations which avoid or substantially lessen certain significant environmental effects of the Project identified in the Final EIR are within the responsibility and jurisdiction of another public agency and not the Agency or the City Council, and such changes have been adopted by such other agency, or can and should be adopted by such other agency, as described in Section III of Document No. 1943.

d. With respect to significant environmental effects of the Project which cannot be avoided or substantially lessened, specific economic, social or other considerations make infeasible the mitigation measures or project alternatives identified in the Final EIR, as described in Section IV of Document No. 1943.

e. The significant environmental effects of the Project which cannot be avoided or substantially lessened are acceptable due to overriding concerns, as described in Section V of Document No. 1943.

4. That the Reporting and Monitoring Program for the Central Imperial Redevelopment Project, in the form on file in the office of the Secretary to the Agency as Document No. 1943, is hereby approved and adopted to monitor and ensure that the mitigation measures identified will be instituted.

5. That the Executive Director of the Agency, or his designee, is hereby authorized and directed to cause the filing of a Notice of Determination with respect to the Final EIR upon adoption of the proposed redevelopment plan for the Project by the City Council.
