NOW, THEREFORE,

BE IT RESOLVED, by the Redevelopment Agency of The City of San Diego, as follows:

1. That the proposed Fiscal Year 1994-1995 program and project budgets administered by CCDC, SEDC, MCDC and City Program as contained in the Agency Proposed Budget as amended by the Agency at its regular meeting of June 21, 1994, Fiscal Year 1994-1995, a copy of which is on file in the office of the Secretary to the Agency as Document No. 02150, is hereby accepted and adopted.

2. That approval of this budget constitutes authority for the expenditure of funds by CCDC, SEDC, MCDC and City Program in Fiscal Year 1994-1995, provided that funds are available from the tax increment generated by the projects; from land sales proceeds; and from funds allocated by the Council of The City of San Diego from such sources as Transient Occupancy Tax, Community Development Block Grants, sales tax and others; and from the allocation of federal funds by such entities as the U.S. Department of Housing and Urban Development, Economic Development Administration and others.

3. That the City Auditor and Comptroller is hereby authorized to (a) establish the necessary accounts, (b) appropriate and allot all monies available in each project fund up to the amounts budgeted herein, and (c) record the expenditures of funds and the recovery of all accrued costs subject to the amount of revenues available in each project fund.

4. That the City Auditor and Comptroller is hereby authorized to carry forward any unexpended balance remaining in each budgetary account at the end of each fiscal year into the next fiscal year as a continuing appropriation, subject to amendment by the Agency.

5. That as to CCDC: that the Executive Vice President of CCDC, or designee, is hereby authorized to (a) expend funds as appropriate for the implementation of Centre City redevelopment projects, (b) request the City Auditor and Comptroller to make budgetary transfers between the line items and object accounts within each project fund, and (c) request the City Auditor and Comptroller to transfer or loan funds between subprojects within a project.

6. That as to SEDC: that the President of SEDC, or designee, is hereby authorized to (a) expend funds as appropriate for the implementation of Southeastern San Diego redevelopment projects, (b) request the City Auditor and Comptroller to make budgetary transfers between the line items and object accounts within each project fund, and (c) request the City Auditor and Comptroller to transfer or loan funds between subprojects within a project.

7. That as to MCDC: that the Executive Vice President of MCDC, or designee, is hereby authorized to (a) expend funds as appropriate for the implementation of City Heights Redevelopment Project, (b) request the City Auditor and Comptroller to make budgetary transfers between the

line items and object accounts within each project fund, and (c) request the City Auditor and Comptroller to transfer or loan funds between subprojects within a project.

8. 9. That the Agency authorizes the City Auditor and Comptroller, upon the request of CCDC, SEDC, MCDC or City Program, to transfer or loan funds between subprojects within a project administered by the requesting entity, provided that such transfers or loans do not increase or decrease the total project budget or result in a use of such funds which would be inconsistent with the permitted use(s) of such funds.

10. That any and all funds advanced by The City of San Diego to the Agency for the purpose of implementing the hereby adopted budgets are to be considered as loans to be repaid from tax increment revenues or other revenues.

11. That any and all debts of the Agency to The City of San Diego shall accrue interest at the rate approved by the Council of The City of San Diego; such interest accrual to be calculated by the City Auditor and Comptroller.

12. That in the event that the Agency desires to issue bonds, notes, or other instruments of indebtedness of the Agency to carry out redevelopment projects, then any indebtedness of the Agency to The City of San Diego, including any interest accrued thereon, shall be deemed not to be a first pledge of tax increment allocations received by the Agency pursuant to California Health and Safety Code section 33670; and any indebtedness of the Agency to The City of San Diego, including any interest accrued thereon, shall be subordinate to any pledge of tax increments to bondholders or the holders of other such instruments of indebtedness.

13. That in the event the Agency has not adopted the 1995-1996 budget and appropriations resolution prior to the beginning of Fiscal Year 1995-1996, the City Auditor and Comptroller shall approve the payments necessary for the Agency to continue to conduct business at the funding levels approved by this resolution for Fiscal Year 1994-1995.
