The Redevelopment Plan is incorporated by reference. The planning, development, replanning, redesign or clearance of all or part of the project area, and the provision of such residential, commercial, industrial, public, or other structures or spaces may be appropriate or necessary in the interest of general welfare, including

The use for which any publicly owned parcels are to be taken is a more necessary public use than that to which the property is currently appropriated and the taking as to any publicly owned parcels is for a more necessary public use consistent with and authorized by Code of Civil Procedure section 1240.610.

h. Be it further resolved that the taking of said real property for

redevelopment purposes, to eliminate blight, and the underutilization of land, and specifically for the 12<sup>th</sup> and Market Residential Project of the Centre City Redevelopment Project and related uses is authorized by Sections 33000, 33020, 33021, 33342, 33391 and 333392 of the California Health and Safety Code and are public uses.

6. The General Counsel of the Agency, and/or its special legal counsel Detisch & Christensen, is authorized and empowered:
