ACTION: Motion by Councilmember Zucchet, second by Councilmember Lewis to direct the City Manager to return to the Committee with an analysis of the feasibility of a lease, or lease purchase program, consistent with Assistant Chief Maheu's proposal. This analysis should include a specific financing plan, with specific financing options (but not including the option of taking no action). The financing plan should also include an accounting for the estimated \$800,000 or more in savings that could result from implementing the City Manager's proposal.
