REPORT TO THE COMMITTEE ON RULES,
FINANCE AND INTERGOVERNMENTAL RELATIONS

REVISED POLICY RECOMMENDATIONS AND DIRECTIVES
FOR CITY COUNCIL CONSIDERATION

At the Rules Committee meeting of January 10, 2001, staff was, in part, directed to report back with a consolidated list of policy recommendations and directives that the Committee could consider to forward to the full City Council.¹ The consolidated list was to be compiled from recommendations made in our previous Report to the Committee (No. RC-2001- 1, January 10, 2001) advising on the status of proceedings regarding the electricity crisis, the memorandum from Council member Atkins to the Mayor (dated January 9, 2001) on the subject of electricity rates, and the directives set forth in Resolution No. R-293560, adopted by the City Council on July 25, 2000. Copies of those documents are enclosed for your review as Attachments A, B and C, respectively. Staff was further instructed to omit those recommendations or directives that were no longer relevant in light of current circumstances.

Enclosed for your consideration as Attachment D is a draft resolution that consolidates and updates those recommendations and directives. We will be pleased to make such other and further changes as the Committee may direct.

Respectfully submitted,

CASEY GWINN, City Attorney
