

REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL
REVISION TO SAN DIEGO MUNICIPAL CODE REGULATING VENDING FROM
VEHICLES WITHIN THE CITY LIMITS SECTION 42.0132 AND 54.0122

The proposed ordinance before you regulates the vending or distribution of food, beverage, goods or services from vehicles by adding a new section 54.0122 to the San Diego Municipal Code. It repeals former section 42.0132.

The draft ordinance was first reviewed and approved by the Public Services and Safety Committee. It included a prohibition on sales or distribution activity on public land owned or controlled by the City of San Diego, except by permit. Subsequently, it was concluded that this restriction should apply to any public land owned or controlled by any public entity rather than just that of the City of San Diego. The draft ordinance was revised accordingly, thereby making explicit and reinforcing existing policies regarding such practices on public land.

Respectfully submitted,
JOHN W. WITT
City Attorney
