

REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL
TRAFFIC CONTROL AND GROWTH MANAGEMENT

In his memorandum of May 17, 1990, to the Honorable Mayor and City Council, the City Clerk informs you that he has received an initiative petition regarding traffic control and growth management. The petition he received contains valid signatures of over ten percent (10 percent) of the City's registered voters. As the Clerk's memo explains, under Municipal Code section 27.2521, you may either approve or reject the legislative act proposed by the initiative at the June 4, 1990, Council meeting. Our office has prepared alternate resolutions reflecting these two alternatives: Proposed Resolution No. R-90-1985a, approves the legislative act and directs the City Attorney to prepare the appropriate ordinance; proposed Resolution No. R-90-1985b, rejects the legislative act and directs the City Attorney to prepare an ordinance placing the measure on the ballot for the November 6, 1990, election.

You may adopt either one of the above resolutions but not both; or, you may take no action, in which event the matter will return to you on or before June 14, 1990, for approval or to call for a special election.

Respectfully submitted,
JOHN W. WITT
City Attorney
