

November 5, 1993
REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL

PAY TELEPHONE ORDINANCE

The Council of the City of San Diego, at its October 25, 1993 meeting considered adoption agenda item 163, the introduction of an ordinance providing for public pay telephone regulations (San Diego Municipal Code sections 54.0501 through 54.0505).

Upon motion by Councilmember Roberts, item 163 was continued to November 8, 1993. The purpose of the continuance was to allow time to prepare maps of "high crime" and "redevelopment project areas" and to draft amendments to the notice provisions in Section 54.0501(d) of the proposed ordinance.

A copy of the pay telephone ordinance incorporating the amendments directed by the City Council and input provided by representatives of Pacific Bell and The San Diego Payphone Owners Association is attached.

Respectfully submitted,
JOHN W. WITT
City Attorney
