

December 21, 1995
REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL

PAY TELEPHONE ORDINANCE

The Committee on Public Safety and Neighborhood Services (PS&NS) at its December 6, 1995, meeting directed the City Attorney to make certain changes to the Pay Telephone Ordinance. Some of the changes resulted from meetings between representatives of the City Attorney's Office, the pay telephone owners and the San Diego Police Department. The PS&NS Committee also approved by motion changes requiring thirty (30) days notice to a pay telephone owner before criminal charges could be filed or handsets removed. The purpose of the notice is to allow pay telephone owners time to comply with the ordinance.

Attachment 1, a revised telephone ordinance incorporating the changes approved by the PS&NS Committee, is forwarded for your review.

Attachment 2, the City Attorney's Report to the PS&NS Committee dated December 4, 1995, is forwarded as background and for your information.

Respectfully submitted,
JOHN W. WITT
City Attorney
