The decision of the Development Services Department Staff is final unless appealed to the Planning Commission. The decision made by the Planning Commission is the final decision by the City. Appeal procedures are described in [Information Bulletin 505](https://www.sandiego.gov/development-services/forms-publications/information-bulletins/505) (<https://www.sandiego.gov/development-services/forms-publications/information-bulletins/505>). Appeals to the Planning Commission can be filed by email/mail or in person:

The completed appeal package must be clearly marked on the outside as "Appeal" and must include the required appeal fee per Information Bulletin 505 in the form of a check payable to the City Treasurer. This safe is checked daily, and payments are processed the following business day. All payments must be in the exact amount, drawn on US banks, and be made out to "City Treasurer." Please include in the memo of the check the invoice number or Project number or attach the invoice to the check. Cash payments are only accepted by appointment; email DSDCashiers@sandiego.gov to schedule an appointment.

The final decision by the City of San Diego is not appealable to the California Coastal Commission.
