PLEASE ACCEPT THIS AS A NOTICE TO INFORM YOU, as a property owner, tenant or interested citizen, that the Council of the City of San Diego, California will conduct a public hearing, as part of a scheduled City Council meeting, on the following project:

The proposed University Community Plan Update (CPU) and associated discretionary actions entail a comprehensive update to the 1987 University Community Plan that is intended to guide future development of the University Community Plan area. In addition to adoption of the University CPU, the proposed actions include: adoption of a General Plan amendment to include revisions to the Land Use Map and Prime Industrial Map; amendments to the Local Coastal Program, adoption of a Rezone Ordinance rezoning land within the University Community Plan area to implement with the University CPU; adoption of an Ordinance amending San Diego Municipal Code (SDMC) Chapter 13, Article 2, Division 14 sections 132.1402 and 132.1403 to amend the Community Plan Implementation Overlay Zone (CPIOZ) Type A for the University CPU area to implement community specific requirements which includes public space requirements and adoption of a new public space in lieu fee and affordable housing requirements and adoption of a new affordable housing in lieu fee; repeal of the Nexus Technology Center Specific Plan; dedication of City owned property as open space; and amendment to the Historical Resources Guidelines of the City's Land Development Manual to exempt specified areas within the University Community Plan area from potential historic resource review under SDMC section 143.0212.

Certification of the Program Environmental Impact Report (SCH No. 2021070359) and adoption of the Findings, Statement of Overriding Considerations, and the Mitigation, Monitoring, and Reporting Program for the University Community Plan Update is anticipated to occur prior to this item being heard through a separate City Council action that will be heard with the Blueprint SD initiative on July 23, 2024. Supporting materials and additional information about the Blueprint SD Initiative can be found with the City Council Agenda for July 23, 2024, which is available at <https://sandiego.hylandcloud.com/211agendaonlinecouncil>. A consistency

evaluation memo further described in the Staff Report provided with Blueprint SD Initiative supporting materials for the July 23, 2024, City Council meeting evaluates the consistency of the University Community Plan Update with the certified Program Environmental Impact Report pursuant to the California Environmental Quality Act Guidelines section 15162. The University Community Plan Update is within the scope of the Program Environmental Impact Report and the Program Environmental Impact Report adequately describes the University Community Plan Update for the purposes of CEQA pursuant to California Environmental Quality Act Guidelines section 15168.

The University CPU updates the land use plan to help achieve the desired vision and objectives for the community. The University CPU identifies several guiding principles, plan goals and policies, and also identifies procedures for plan implementation. The update entails a land use framework that focuses higher density and intensity land uses around transit and job centers. Planned land uses support employment and commercial activity and introduces residential areas through a new land use designation called the urban village designation. It implements urban design by focusing new development near transit infrastructure and establishes supplemental development regulations for private development to provide privately-owned public open spaces, such as promenades, platforms, podiums, paseos, and plazas to offer amenities that complement existing, planned parks, and open space in the community. A new public space in lieu fee allows for an alternative compliance option based on an amenity point system is proposed for adoption. Supplemental development regulations also establish affordable housing requirements to ensure housing opportunities for persons of all income levels in the community. It will encourage the preservation and enhancement of historic and cultural resources.

The University CPU establishes an updated vision and objectives that implement General Plan policies, including those proposed and amended by the Blueprint SD (General Plan Refresh) Initiative, and City of Villages Strategy in the General Plan, as well as the Climate Action Plan (CAP), Parks Master Plan, and Climate Resilient SD. The University CPU also takes into consideration the San Diego Association of Governments (SANDAG) 2021 Regional Plan.

For additional information you can visit the University Community Plan Update website at <https://www.planuniversity.org/>.

On May 30, 2024, the Planning Commission voted (4-0-0) to recommend to the City Council approval of the University CPU; General Plan Amendment; Amendments to the SDMC; Rezones; Repeal of the Nexus Technology Center Specific Plan; Dedication of Open Space; Local Coastal Program Amendment; and Land Development Manual Historical Resources Guidelines Amendment, as presented by staff.

On June 13, 2024, the Land Use and Housing Committee voted (4-0-0) to recommend approval of the University CPU; General Plan Amendment; Amendments to the SDMC; Rezones; Repeal of the Nexus Technology Center Specific Plan; Dedication of Open Space; Local Coastal Program Amendment; and Land Development Manual Historical Resources Guidelines Amendment, and adoption of a new public space in lieu fee as presented by staff.

A Program Environmental Impact Report (SCH No. 2021070359) was prepared for the project in accordance with the California Environmental Quality Act (CEQA). The University CPU was evaluated in the Program Environmental Impact Report that analyzes the environmental effects of the University Community Plan Update, as well as the Hillcrest Focused Plan Amendment, and Blueprint SD Initiative. It is anticipated that the City Council will separately take action on **July 23, 2024, at 2:00 p.m.** regarding the certification of the Program Environmental Impact Report which will be heard with the Blueprint SD Initiative, which is further described in the Staff Report provided with Blueprint SD Initiative supporting materials for the July 23, 2024, City Council meeting. Supporting materials and additional information about the Blueprint SD Initiative can be found with the City Council Agenda for July 23, 2024, which is available at <https://sandiego.hylandcloud.com/211agendaonlinecouncil>.
