As a property owner, tenant, or person who has requested notice, you should know that a public hearing will be held by the Hearing Officer to consider an application for a Coastal Development Permit and Site Development Permit (amendment to CDP/SDP/La Jolla Shores Planned District Permit No. 41-0314) for a proposed detached 1,111-square-foot accessory dwelling unit with a basement, three roof gardens, three terraces and associated site improvements. The 0.91-acre project site is located at 2734 Bordeaux Avenue in the La Jolla Shores Planned District – Single Family (LJSPD-SF) zone, the Coastal Overlay Zone (Non-Appealable), the Coastal Height Limit Overlay Zone, the Parking Impact Overlay Zone, a Parking Standards Transit Priority Area, and a Transit Priority Area within the La Jolla Community Plan. The project site contains environmentally sensitive lands in the form of sensitive biological resources and steep hillsides.

This development is within the Coastal Overlay Zone, and the application was filed on March 22, 2023.

The project was issued Addendum No. 1087614 to Mitigated Negative Declaration No. 41-0314/SCH No. 2026041376, which was prepared pursuant to the California Environmental Quality Act (CEQA) Statute and Guidelines, consistent with CEQA Section 15164, since only minor technical changes and additions were necessary. The environmental determination for this project was made on April 23, 2026. An Environmental Addendum is not subject to public review and is therefore not appealable.
