As a property owner, tenant, or person who has requested notice, you should know that a public hearing will be held by the Planning Commission to consider an application to continue the operation of an existing T-Mobile wireless communication facility (WCF). The site is located at 1551 Kenalan Drive in the RS-1-7 (Residential Single Unit) Zone, Otay Mesa-Nestor Community Plan area, and Federal Aviation Administration Part 77 Noticing Area to Brown Field and Naval Outlying Landing Field Imperial Beach. The scope of work is to continue the operation of an existing WCF designed as two (2) poles with foliage socks. The WCF will consist of three (3) panel antennas, (six) 6 radios, and other equipment and contains no modifications. Additionally, the project includes ancillary equipment for support to the Wireless Communications Facility. The equipment enclosure is located in the side and rear setback. The equipment is surrounded by a 6'-0" wood fence and screened from public views by surrounding landscaping. There are no changes proposed for this facility at this time.

This project was determined to be categorically exempt pursuant to Section 15301 (Existing Facilities) of the California Environmental Quality Act on July 23, 2026, and the opportunity to appeal that determination ended August 6, 2026.
