As a property owner, tenant or person who has requested notice, you should know that the Planning Commission will hold a public hearing to **recommend** that the City Council approve, conditionally approve, or deny a La Jolla Community Plan/Local Coastal Program Amendment (LCP/LCPA), for a project that would prohibit public access to the La Jolla Children's Pool beach during harbor seal pupping season, December 15 to May 15, annually. The City Council will also consider an Ordinance that would prohibit the referenced public access. The Ordinance does not require a Planning Commission recommendation. The project is located at 888 Coast Boulevard within the Coastal Overlay Zone. This application was filed on November 10, 2010.

A Negative Declaration (ND Project No. 225045) was prepared for the project and determined that the project will not have a significant effect on the environment.

The decision to approve, conditionally approve, modify or deny the (LCP/LCPA), and to adopt the Negative Declaration will be made by the City Council at a future public hearing. You will also receive a notice of the City Council public hearing.

Notice of Availability of Local Coastal Program Amendment:

The City Council's decision regarding the LCP/LCPA requires amending the City's Local Coastal Program. The City of San Diego must submit the LCP/LCPA as an amendment for certification to the Coastal Commission.
