Section 143. CONTRIBUTIONS.

The retirement system herein provided for shall be conducted on a contributory plan~~7-the-City-contributing jointly-with-the-employees-affected-thereunder.~~ Employees shall contribute according to the actuarial tables adopted by the Board of Administration for normal retirement allowances, except that employees shall, with the approval of the Board, have the option to contribute more than required for normal allowances, and thereby be entitled to receive the proportionate amount of increased allowances paid for by such additional contributions. The City shall contribute ~~annually~~ an amount substantially equal to that required of the employees for normal retirement allowances, as certified by the actuary, but shall not be required to contribute in excess of that amount, except in the case of financial liabilities accruing under any new retirement plan or revised retirement plan because of past service of the employees. The mortality, service, experience or other table calculated by the actuary and the valuation determined by him and approved by the Board shall be conclusive and final, and any retirement system established under this article shall be based thereon.
