

ORDINANCE NO. 10379
(New Series)

AUG 27 1970

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, OF THE SAN DIEGO MUNICIPAL CODE BY ADDING SECTION 101.0426 RELATING TO THE CN ZONE.

BE IT ORDAINED, by the Council of The City of San Diego as follows:

Section 1. That Chapter X, Article 1, of the San Diego Municipal Code be amended by adding Section 101.0426 to read as follows:

SEC. 101.0426 CN ZONE

A. PURPOSE AND INTENT

This zone is primarily intended to accommodate shopping areas that provide convenience goods and services for residential neighborhoods. Since individual CN districts will normally be of limited size, it is important to prevent preemption by residential uses, as well as by those commercial establishments that are more appropriately located in general commercial areas or along major tourist routes. The development standards set forth herein are designed to minimize possible conflicts with adjacent residential uses.

B. PERMITTED USES

In the CN Zone, no building or improvement, or portion thereof, shall be erected, constructed, converted, established, altered, or enlarged, nor shall any premises be used except for one or more of the following purposes:

1. Business and professional offices (not including employment agencies or hiring halls).
2. Retailing of consumer convenience goods and dispensing of consumer services from the following establishments:

3. No permitted use shall commence operating prior to 6:00 a.m. nor continue later than 12:00 midnight of any day.
4. Artificial lighting used to illuminate the premises shall be directed away from adjacent properties.

D. PROPERTY DEVELOPMENT REGULATIONS

No building or portion thereof shall be erected, constructed, converted, established, altered, enlarged, or used nor shall any premises be used unless the lot or premises and buildings shall comply with the following regulations and standards.

1. Minimum Lot Dimensions.

- a. Area - 10,000 square feet.
- b. Street frontage - 100 feet.
- c. Width - 100 feet.
- d. Exception. Any lot which qualifies under the definition of a lot as set forth in this Code and which does not comply in all respects with the minimum lot dimensions specified herein may nevertheless be used as permitted and otherwise regulated by the provisions applicable to this zone.

2. Minimum Yards.

- a. Front - ten feet.
- b. Side, street - ten feet.
- c. Exceptions to Front and Street Side Yard Regulations. Off-street parking may be located within the required front yard and street side yard adjoining the required landscaped strip abutting public street rights-of-way.

d. Building Distance from Residentially Zoned Property. No portion of any building or sign shall be closer than ten feet to any residentially zoned property.

3. Maximum Building Height.

The maximum building height shall be 30 feet.

4. Maximum Floor Area Ratio.

The maximum floor area ratio shall be one.

5. Regulations for Residential Development.

All buildings, improvements, or portions thereof, erected, constructed, converted, established, altered or enlarged in this zone which are designed or intended for living purposes shall observe minimum front, side and rear yards and maximum coverage and density as required in the R-3 Zone as set forth in Section 101.0411. In those cases where the premises are occupied or proposed to be occupied by both commercial and residential uses, the minimum front, side and rear yards and maximum coverage and density shall be determined and computed without regard to the buildings or portions thereof to be occupied by the commercial uses.

6. Landscaping.

Prior to the use and occupancy of any premises, a strip of land within said premises abutting public street rights-of-way (except for approved ways of ingress and egress) shall be suitably landscaped with shrubs, trees, and ornamental ground cover. Said strip shall have a minimum depth of five feet and an area equal in square feet to ten times the length of the property line abutting public street

rights-of-way (except for approved ways of ingress and egress). Any portion of said landscaped strip which exceeds 25 feet in depth shall not be included in calculating the required area. Prior to the issuance of any building permits, a complete landscaping plan shall be submitted to the Zoning Administrator for approval; said landscaping plan shall be in substantial conformance with standards and specifications adopted by the Planning Commission as set forth in the document entitled "Developmental Standards and Operational Standards - Landscaped Strips," on file in the office of the Planning Department. Substantial conformance shall be determined by the Zoning Administrator; said determination shall be subject to appeal in the manner set forth in Section 101.0507. Landscaping and required watering system shall be installed prior to the use of the premises. All landscaping material in required landscaped areas shall be permanently maintained in a growing and healthy condition, including trimming, as appropriate to the landscaping material in accordance with the "Developmental Standards and Operational Standards - Landscaped Strips" referred to above.

7. Walls.

Prior to the use or occupancy of any premises, a wall not less than six feet in height shall be constructed along all portions of the perimeter of said premises that abut residentially zoned property; provided, however, that within any required front yard or street side yard such wall shall be reduced in height to three feet.

8. Outdoor Storage.

Outdoor storage of merchandise, material or equipment shall be permitted only when incidental to a permitted use located on the same premises, and provided that:

- a. The storage area shall be completely enclosed by walls or buildings or a combination thereof. Said walls shall be not less than six feet in height.
- b. There shall be no outdoor storage of merchandise, materials, equipment or other goods to a height greater than that of any enclosing wall, or building.

9. Other applicable property development regulations are contained in Division 6 of this Article.

E. OFF-STREET PARKING REGULATIONS

1. Every premises used for one or more of the permitted uses listed in paragraph "B" above shall be provided with a minimum of off-street parking spaces on the same lot or premises as follows:
 - a. For apartments, one parking space for each dwelling unit containing not more than one bedroom and one and one-half parking spaces for each dwelling unit containing two or more bedrooms.
 - b. For private clubs and similar establishments, one parking space for each guest room or one parking space for each 200 square feet of gross floor area, whichever is greater.

c. For other uses (except commercial parking lots, distribution substations and gas regulators) one parking space for each 200 square feet of gross floor area.

2. Where ambiguity exists in the application of these off-street parking requirements or where any use not specified in paragraph "B" above is found to be a permitted use, the off-street parking requirement shall be consistent with that for similar uses in this zone.

3. All off-street parking facilities shall be constructed, operated and maintained in compliance with Division 8 of this Article.

Section 2. This ordinance shall take effect and be in force on March 1, 1971, being a date more than 30 days from and after its passage.
