Each Bond shall bear interest until its principal sum has been paid; provided, however, that if at the maturity date of any Bond or, if a Bond is callable and redeemable prior to maturity and has been duly called for redemption and at the redemption date funds are available for the payment or redemption of such Bond in full accordance with the terms of this ordinance, then such Bond shall cease to bear interest. The Bonds and interest thereon shall be payable in lawful money of the United States of America at the office of the Treasurer of The City of San Diego or, at the option of the holder, at any fiscal agency of the City in the cities of San Diego, Los Angeles or San Francisco, California, or the cities of New York, New York, or Chicago, Illinois.

SECTION 3. Useful Life.

It is hereby found and determined that the term of years within which the Bonds are payable does not exceed the estimated period of usefulness of the property or improvements for which the Bonds are issued.

SECTION 4. Execution of Bonds.

The Mayor and the Treasurer of the City are hereby authorized and directed to sign all of the Bonds by their printed, lithographed or engraved facsimile signatures and the City Clerk or his duly authorized deputy is hereby authorized and directed to countersign the Bonds manually and to cause the corporate seal of the City to be impressed, imprinted or reproduced on said Bonds. The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the Bonds by his printed, lithographed or engraved facsimile signature.

SECTION 5. Form of Bond and Coupon and Registration.

The form of Bond and Coupon shall be substantially in the form adopted by this Council by Resolution No. 189607 dated February 21, 1967, provided that the form of Bond and Coupon shall conform with the provisions of this ordinance. The Bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which are contained in the form of Bond previously adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before December 1, 1980, are not subject to call or redemption prior to maturity. The Bonds maturing on or after December 1, 1981, or any of them, may be called prior to maturity and redeemed at the option

of the City on December 1, 1980, or on any interest payment date after December 1, 1980, and prior to maturity at a redemption price for each redeemable Bond equal to the principal amount thereof plus a premium equal to one-fourth of one percent of the principal amount thereof for each year or fraction of a year from the redemption date to the maturity date of such Bond, but in no event shall the premium exceed two and three-fourths percent.

If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this ordinance as the "redemption date."

(a) Notice of Call and Redemption. Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

- (1) State the redemption date;
- (2) State the redemption price;
- (3) State the numbers and dates of the maturity of the Bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the Bonds of a maturity, the numbers of the Bonds need not be stated;
- (4) Require that the Bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons

need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this ordinance.

(5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise

than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest by any claim or showing that he actually failed to receive the notice of call and redemption.

(b) Redemption Fund. Prior to the redemption date there shall be established in the City Treasury a redemption fund to be described or known as "1966 MUNICIPAL IMPROVEMENT BONDS, SERIES 4, REDEMPTION FUND" (sometimes hereinafter referred to as "Redemption Fund") and prior to the redemption date there must be set aside in said Redemption Fund moneys available for the purpose and sufficient to redeem, at the premiums, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in

said Fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption, to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and canceled or paid and canceled, there are moneys remaining in said Redemption Fund, said moneys shall be transferred to the General Fund of said City; provided, however, that if said moneys are part of the proceeds of refunding Bonds, said moneys shall be

transferred to the fund created for the payment of principal of and interest on such refunding Bonds.

(c) Effect of Notice of Call and Redemption. When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered, upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds, or their order,

but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purposes and objects for which such Bonds are to be issued, there have been created in the City Treasury the following three special funds:

| <u>Name of Fund</u> | <u>Amount of Proceeds of Series 4 to be Deposited Therein</u> |
|--|---|
| 1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATIONAL FACILITIES) CONSTRUCTION FUND | \$2,800,000 |
| 1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND | \$ 800,000 |
| 1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND | \$1,400,000 |

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above-created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys remaining in any one or more of the above-named Construction Funds shall be transferred to the Interest and Principal Fund created by this ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.

Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.

For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and is used in this Section 8 to include the amount of \$32,665,000 Bonds which were authorized November 8, 1966, of which these Bonds of Series 4 are a part), the Council of The City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 4 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be in addition to all other taxes levied for municipal purposes and shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to

Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.

The City Clerk is hereby directed to cause this ordinance to be published once in The Daily Transcript, the official newspaper of the City.

SECTION 10. Effective Date.

This ordinance shall take effect and be in force on the thirtieth day from and after its passage.

SECTION 3. Useful Life.

It is hereby found and determined that the term of years within which the Bonds are payable does not exceed the estimated period of usefulness of the property or improvements for which the Bonds are issued.

SECTION 4. Execution of Bonds.

The Mayor and the Treasurer of the City are hereby authorized and directed to sign all of the Bonds by their printed, lithographed or engraved facsimile signatures and the City Clerk or his duly authorized deputy is hereby authorized and directed to countersign the Bonds manually and to cause the corporate seal of the City to be impressed, imprinted or reproduced on said Bonds. The Treasurer of the City is hereby authorized and directed to sign the interest coupons of the Bonds by his printed, lithographed or engraved facsimile signature.

SECTION 5. Form of Bond and Coupon and Registration.

The form of Bond and Coupon shall be substantially in the form adopted by this Council by Resolution No. 180607 dated February 21, 1967, provided that the form of Bond and Coupon shall conform with the provisions of this ordinance. The Bonds may be registered either as to principal only or as to both principal and interest; the form of registration of any Bond so registered may be changed; any Bond so registered may be transferred or any Bond so registered may be discharged from registration in the manner and with the effect set forth in the provisions for registration which are contained in the form of Bond previously adopted.

SECTION 6. Call and Redemption Prior to Maturity.

The Bonds maturing on or before December 1, 1980, are not subject to call or redemption prior to maturity. The Bonds maturing on or after December 1, 1981, or any of them, may be called prior to maturity and redeemed at the option of the City on December 1, 1980, or on any interest payment date after December 1, 1980, and prior to maturity at a redemption price for each redeemable Bond equal to the principal amount thereof plus a premium equal to one-fourth of one percent of the principal amount thereof for each year or fraction of a year from the redemption date to the maturity date of such Bond, but in no event shall the premium exceed two and three-fourths percent. If less than all of the outstanding Bonds subject to call and redemption prior to maturity are called for redemption at any one time, the Bonds shall be called and redeemed in inverse order of maturity and number. The interest payment date on which Bonds are to be presented for redemption prior to maturity is sometimes referred to in this ordinance as the "redemption date."

(a) **Notice of Call and Redemption.** Notice of the intended redemption prior to maturity shall be published once in a newspaper of general circulation in the City of San Diego and in a financial newspaper or journal of national circulation. Publication shall be at least thirty (30) days but not more than sixty (60) days prior to the redemption date. The notice of call and redemption shall:

- (1) State the redemption date;
- (2) State the redemption price;
- (3) State the numbers and dates of the maturity of the Bonds to be redeemed prior to maturity; provided, however, that whenever any call includes all of the Bonds of a maturity, the numbers of the Bonds need not be stated;

(4) Require that the Bonds to be redeemed be surrendered with all interest coupons maturing subsequent to the redemption date, except that no coupons need be surrendered on Bonds registered as to both principal and interest. Surrender shall be made at the office of the Treasurer or at the office of any of the fiscal agencies of the City referred to in Section 2 of this ordinance.

(5) Require that Bonds, which at the time of call are registered so as to be payable otherwise than to bearer, shall be accompanied by appropriate instruments of assignment executed in blank;

(6) Give notice that further interest on Bonds to be so redeemed will not accrue after the redemption date.

The Treasurer shall, on or before the date of publication of the notice of call and redemption prior to maturity, mail a similar notice, postage prepaid, to the person, firm, corporation or syndicate that originally purchases the Bonds (hereinafter sometimes referred to as "original purchaser"); provided, however, that the failure of the Treasurer to mail such notice or any defect in such notice, shall not affect the validity of the proceedings for the call and redemption prior to maturity of the Bonds or the cessation of interest on the redemption date.

If any of the Bonds called for redemption prior to maturity shall be registered so as to be payable otherwise than to bearer, the Treasurer shall, on or before the date of publication of the notice of call and redemption, mail a similar notice, postage prepaid, to the respective registered holders at the addresses appearing on the Bond Registry Books. The actual receipt by the holder of any Bond of notice of call and redemption shall not be a condition precedent to redemption and failure to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds or the cessation of interest on the redemption date. A certificate by the Treasurer that notice of call and redemption has been given to the original purchasers and to holders of registered Bonds as provided in this section shall be conclusive as against all parties and no holder whose Bond or registered Bond is called for redemption may object to the call for redemption or to the cessation of interest on the redemption date by claiming that he actually failed to receive the notice of call and redemption.

REDEMPTION FUND. (hereinafter referred to as the "Redemption Fund") and to the redemption date, there must be set aside in said fund moneys and money available for the purpose and sufficient to redeem, at the premium, if any, payable as in this ordinance provided, the Bonds designated in such notice of redemption. Said moneys must be set aside in said fund solely for that purpose and shall be applied on or after the redemption date to payment (principal and premium, if any) of the Bonds to be redeemed upon presentation and surrender of such Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, and shall be used only for that purpose. Any interest coupons due on or prior to the redemption date shall be paid from the Interest and Principal Fund provided for herein upon presentation and surrender thereof. Any interest due on or prior to the redemption date upon Bonds registered as to both principal and interest shall be paid from said Interest and Principal Fund. Each Bond presented (if unregistered or registered as to principal only) must have attached thereto or presented therewith all interest coupons maturing after the redemption date. Moneys may be paid or transferred from the Redemption Fund, in furtherance of the purpose of its establishment, to any special trust accounts established to insure the payment, when due or payable upon such redemption, of the principal of the Bonds so called for redemption, including premiums, if any, due upon such redemption to such extent as may be necessary to make available at each of the designated places of payment in San Diego, Los Angeles, San Francisco, New York and Chicago, respectively, sufficient funds to meet the redemption price upon the presentation at such place, respectively, of any Bonds so called for redemption. If, after all of the Bonds have been redeemed and interest is paid and canceled, there are moneys remaining in said Redemption Fund, said

moneys shall be transferred to the General Fund of said City, provided, however, that if said moneys are part of the proceeds of refunding Bonds, said moneys shall be transferred to the fund created for the payment of principal of and interest on such refunding Bonds.

(c) **Effect of Notice of Call and Redemption.** When notice of call and redemption prior to maturity has been given substantially as provided in this ordinance and when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Redemption Fund, as provided for herein, the Bonds so designated for redemption shall become due and payable on the redemption date, and upon presentation and surrender of said Bonds and (except as to Bonds registered as to both principal and interest) all interest coupons maturing after the redemption date, at the place specified in the notice of redemption and, if any of said Bonds be registered upon the appropriate assignment thereof in blank, such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund, and no interest shall accrue on such Bonds so called for redemption or on any interest coupons thereof after the redemption date, and the holders of said Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the premium, if any, thereon only to said Redemption Fund. All Bonds redeemed and all interest coupons thereof shall be canceled forthwith by the City Treasurer and shall not be reissued.

All interest coupons pertaining to any redeemed Bonds which have matured on or prior to the redemption date shall continue to be payable to the respective holders thereof but without interest thereon. All unpaid interest payable at or prior to the redemption date upon bonds registered in such manner that the interest is payable only to the registered owners shall continue to be payable to the respective registered owners of such Bonds or their order, but without interest thereon.

SECTION 7. Disposition of Bond Proceeds.

For the purpose of insuring the application of the proceeds from the sale of the Bonds to the purpose and object for which such Bonds are to be issued, there have been created in the City Treasury the following special funds:

| | |
|--|-------------|
| 1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY PARKS AND RECREATION FACILITIES) CONSTRUCTION FUND | \$2,600,000 |
| 1966 MUNICIPAL IMPROVEMENT BONDS (COMMUNITY BUILDINGS AND IMPROVEMENTS PURSUANT TO THE CITY PLAN) CONSTRUCTION FUND | \$ 800,000 |
| 1966 MUNICIPAL IMPROVEMENT BONDS (FLOOD CONTROL) CONSTRUCTION FUND | \$1,400,000 |

The proceeds from the sale of the Bonds (except premium, if any, and accrued interest) shall forthwith be turned over to and placed in the City Treasury in the amounts shown above to the credit of the three above-created Construction Funds and shall be applied exclusively to the said respective purposes and objects described in the Bond propositions above referred to by title and fully set forth in the recitals hereof; provided, however, that when the aforesaid purposes and objects for which the Bonds are issued have been accomplished, any moneys remaining in any one or more of the above-named Construction Funds shall be transferred to the Interest and Principal Fund created by this ordinance to be used for the payment of the principal of and interest on the Bonds, and further, when such purposes and objects have been accomplished and all principal and interest on the Bonds have been paid, any balance of money then remaining in the above-named Construction Funds shall be transferred to the General Fund.

SECTION 8. Tax Levy, Payment of Bonds.
Any premium or accrued interest received from the sale of the Bonds shall forthwith be turned over to and placed in the City Treasury in the Interest and Principal Fund hereinafter created.
For the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS (which term has been used in Section 1 and in used in this Section 8 to include the amount of \$32,600,000 Bonds which were authorized November 8, 1966, of which these Bonds of Series 4 are a part), the Council of the City of San Diego shall, at the time of making the general tax levy after incurring such bonded indebtedness by the issuance of the Bonds of this Series 4 and the issuance of subsequent series of 1966 MUNICIPAL IMPROVEMENT BONDS, and annually thereafter until the 1966 MUNICIPAL IMPROVEMENT BONDS so issued are paid or until there is a sum in the Treasury of the City set apart for that purpose sufficient to meet all payments of principal and interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued as they become due, levy and collect a tax sufficient to pay the interest on the 1966 MUNICIPAL IMPROVEMENT BONDS so issued and such part of the principal thereof which will become due before the proceeds of a tax levied at the next general tax levy will be available. This tax shall be levied and collected as other City taxes, and shall forthwith be turned over and paid into a special fund of the City to be known as "1966 MUNICIPAL IMPROVEMENT BONDS, INTEREST AND PRINCIPAL FUND" (herein sometimes referred to as "Interest and Principal Fund"). To the extent that any part of the sum hereby required to be raised by any annual tax levy is appropriated, pursuant to Charter provisions or otherwise, from any fund or funds of the City and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such tax levy, the amount to be raised by that annual tax levy may be reduced, and if all of the sums required to be raised by any annual tax levy have been appropriated and placed in the Interest and Principal Fund or set aside in any other fund for the purpose of paying the principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS which otherwise would be paid from such annual tax levy, that annual tax levy need not be made. Said Interest and Principal Fund shall be used for no other purpose than the payment of said 1966 MUNICIPAL IMPROVEMENT BONDS and interest thereon on until said bonds and interest are fully paid. Any sum appropriated and set aside in any other fund for the payment of principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS shall be used only for the payment of that principal and interest of the 1966 MUNICIPAL IMPROVEMENT BONDS for which it was so appropriated and set aside.

SECTION 9. Publication.
The City Clerk is hereby directed to cause this ordinance to be published once in The Daily Transcript, the official newspaper of the City.
SECTION 10. Effective Date.
This ordinance shall take effect and be in force on the thirtieth day from and after its passage.
