

RESOLUTION NO. 200059

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, this Council has reviewed said recommendations as well as the suggestions presented; NOW THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
Carl Falco	POLICE DEPARTMENT	\$1,000	Patrolman Falco observed that in misdemeanor cases involving multiple arrests many extra court appearances were scheduled. He proposed a form change and a means of combining cases. This saves an estimated \$12,311 in pay for police court appearances and in prosecutors' time in case preparation. It also results in considerable saving to the County for court costs.
Louis P. Davis	POLICE DEPARTMENT	\$1,000	For many years, cars used for pastel service were converted from patrol cars after they had been used 50,000 miles. Mr. Davis made a suggestion and analysis showing that if cars were purchased directly for pastel work, over \$12,000 a year will be saved in the cost of conversion and more economical operation.
Guy C. Maxwell	RECREATION DEPARTMENT	\$130	Designed and had made a telescopic boom for use on a fork-lift truck. This eliminates the need for rental of a boom truck. \$1,300 has been saved in six months. \$2275 more is expected to be saved in the next six months.
Raymond E. McIntire	PUBLIC WKS. DEPARTMENT	\$110	Found and suggested a suitable substitute for a more expensive special cartridge filter for auxiliary motors. Saves \$1,110 per year
John E Hoaglin	POLICE DEPARTMENT	\$50	Suggested changing call box locks so patrol car keys can unlock them. Saves \$500 worth of very special keys each year.
Owen O. Feuer	POLICE DEPARTMENT	\$35	Proposed fiberglass and plastic traffic patrol signs in place of wood poles and metal signs. Costs less and reduces maintenance expense totalling \$338 per year.

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
✓ Herman Werth, Jr.	UTILITIES DEPARTMENT	\$30	Suggested installing a valve on the steam line between the two digester boilers. This permits four overhauls a year to be done without shutting down the entire heating system. Saves overtime work and large quantities of water. Also maintains better operation of the system.
✓ George F. Bell	POLICE DEPARTMENT	\$10	Suggested of a route slip procedure to other sections of the department. Limited application was found which will save some clerical work.
