

RESOLUTION OF INTENTION NO. 200094

TO ESTABLISH SAN DIEGO STREET LIGHTING  
MAINTENANCE DISTRICT NO. 1.

BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to establish a street lighting maintenance district in said City under the provisions of the San Diego Maintenance District Procedural Ordinance of 1969, authorized by Article XIII, Section 17 of the California Constitution and provided for in Sections 65.0201 through 65.0244 of the San Diego Municipal Code. Such maintenance being more particularly described as follows:

Section 1

DESCRIPTION OF MAINTENANCE

The proposed maintenance consists in general of the furnishing and switching of electrical energy to street lights included in the street lighting maintenance district, to be known as the San Diego Street Lighting Maintenance District No. 1. Said district is located entirely within an area served by a single public utility, San Diego Gas & Electric Company, whose rates are on file with and are subject to regulation by the Public Utilities Commission of the State of California. The City proposes to enter into a contract with the public utility for the maintenance of the public facilities described herein; said agreement form is on file in the office of the City Clerk under Document No. 732345. Said maintenance shall be at rates established by the Public Utilities Commission of the State of California and enumerated in the above-mentioned agreement and the period of maintenance shall be for a one-year period beginning July 1, 1970.

Section 2

DESCRIPTION OF MAINTENANCE DISTRICT

The contemplated maintenance hereinbefore mentioned is, in the opinion of the Council, of more than local ordinary public benefit, and the expenses of such maintenance are made chargeable upon the district hereinafter described, and the Council does declare said district to be the district benefited by the maintenance, and to be assessed to pay the costs and expenses thereof. The district is described as follows:

All that real property in the said City of San Diego as shown on the map designated as San Diego Street Lighting Maintenance District No. 1, consisting of 128 pages on file in the office of the City Clerk under Document No. 732344, which includes all that real property previously assessed as San Diego Street Lighting Maintenance District No. 1, and in addition all those street lighting districts previously assessed under the San Diego Street Lighting System Operation Act of 1962 as shown in Appendix A attached hereto, excepting therefrom all public streets, roads, alleys, avenues, and highways.

Section 3

ASSESSMENT OF COST AND EXPENSE

It is proposed to assess the total amount of the maintenance costs of the district, plus the incidental expenses thereto, to all the real property within the district in conformance with the provisions of the San Diego Maintenance District Procedural Ordinance of 1969 and in proportion to the estimated benefits from the maintenance to be received by the individual parcels of real property.

The Council may order a portion of the costs of maintenance to be paid by the City from appropriate funds.

Estimated cost of energy and switching	\$123,900.00
Estimated cost of incidentals	<u>9,900.00</u>
Estimated total cost	\$133,800.00
Less estimated cost of proposed City contribution	\$ 615.00
Remainder of cost proposed to be assessed against the parcels within the District	<u>\$133,185.00</u>

A statement of the proposed assessments levied against the several lots or parcels of land as shown on the map referred to in Section 2 above, is on file in the office of the Street Superintendent for public inspection.
