Grantee is herewith charged with the responsibility of cooperating with City in preparing a manual of administrative practices which shall govern the installation and removal of Grantee's facilities in the streets of City which shall include, but not be limited to, cathodic protection practices. Once each year, commencing with the first full calendar year of the franchise granted herein, it is to be the joint responsibility of Grantee and City to review and update such administrative practices. Following the preparation of said manual, and its approval by the City Council, it shall govern the practices of the Grantee in its installation and removal of Grantee's facilities in the streets of City.

Section 8. CITY RESERVED POWERS

(a) City reserves the right for itself to lay, construct, erect, install, use, operate, repair, replace, remove, relocate, regrade or maintain below surface or above surface improvements of any type or description in, upon, along, across, under or over the streets of the City. City further reserves the right to relocate, remove, vacate or replace the streets themselves. If the necessary exercise of the aforementioned reserve rights conflicts with any poles, wires, conduits, and appurtenances of Grantee constructed, maintained and used pursuant to the provisions of the franchise granted hereby, whether previously constructed, maintained and used or not, Grantee shall, without cost or expense to City within thirty (30) days after written notice from the City Manager, or his designated representative, and request so to do, begin the physical field construction of changing the location of all facilities or equipment so conflicting to a location to be approved by the City Manager, or his designated representative. Grantee shall proceed promptly to complete such required work.

(b) Irrespective of any other provision of this ordinance, Grantee's right to construct, maintain and use, or remove poles, wires, conduits and appurtenances thereto shall be subject at all times

to the right of the City, in the exercise of its police power, to require the removal or relocation, to either overhead or underground locations, of said poles, wires, conduits and appurtenances thereto at the sole cost and expense of Grantee.

Section 9. RELOCATION

(a) If for any reason existing poles, wires, conduits and appurtenances are relocated, they shall at the sole option of the City be relocated underground at no cost to the City.

(b) Irrespective of the provisions set forth in Section 9(a) above, Grantee shall, at the sole option of the City, for each calendar year of the franchise granted herein, cause to be relocated underground a length of overhead installations and appurtenances thereto, the cost of which is equal to each two and one-half percent (2 1/2%) of Grantee's gross revenues for each calendar year of the franchise granted herein, provided that said relocations and the percentage of gross revenues as set forth herein shall at all times pertinent take into consideration the provisions of Section 9(a) hereof, and Grantee shall be entitled to a credit against this section for any relocations to underground accomplished under Section 9(a).

(c) The requirements set forth in Sections 9(a) and 9(b) as set forth above are, in addition to all provisions set forth above, subject to the condition that City cooperate in this undergrounding endeavor

by performing certain construction and work required to prepare the street for said undergrounding relocation. Said preparation shall consist only of providing the necessary cutting of the street pavement and replacing the pavement on all streets other than streets in, on or over any bridge or overpass.

(d) The underground relocations required by the terms of the franchise granted hereby shall be in addition to any undergrounding required of Grantee by the California Public Utilities Commission and any other regulatory agency of competent jurisdiction, and shall not be construed as a limitation of rights reserved to City under Section 8. Any Federal or State funds made available to Grantee for purposes of undergrounding its facilities shall be expended on undergrounding other than the relocations provided for by the terms of the franchise granted hereby and in addition thereto; provided, however, that nothing herein contained shall be construed as limiting Grantee's right to accept such Federal or State funds on any terms and conditions that are imposed on Grantee by the agency which makes such funds available. Any funds expended for undergrounding pursuant to the rules and regulations of the California Public Utilities Commission shall be expended on undergrounding projects other than those provided for by the terms of the franchise granted hereby.

Section 11. REPAIR COSTS

Grantee shall pay to City on demand the cost of all repairs to City property made necessary by any of the operations of Grantee under the franchise granted hereby.

Section 12. FORFEITURE

This franchise is granted upon each and every condition herein contained, and shall ever be strictly construed against Grantee. Nothing shall pass by the franchise granted hereby to Grantee unless it be granted in plain and unambiguous terms. Each of said conditions is a material and essential condition to the granting of the franchise. If Grantee shall fail, neglect or refuse to comply with any of the conditions of the franchise granted hereby, or of any of the terms or conditions of any ordinance now in force or hereafter adopted by City in the exercise of its police power during the term hereof, and if such

failure, neglect or refusal shall continue for more than thirty (30) days after written demand by the City Manager, for compliance therewith, then City, by the City Council, in addition to all rights and remedies allowed by law, thereupon may terminate the right, privilege and franchise granted in and by this ordinance, and all the rights, privileges and the franchise of Grantee granted hereby shall thereupon be at an end. Thereupon and immediately, Grantee shall surrender all rights and privileges in and to the franchise granted hereby. No provision herein made for the purpose of securing the enforcement of the terms and conditions of the franchise granted hereby shall be deemed an exclusive remedy or to afford the exclusive procedure for the enforcement of said terms and conditions, but the remedies and procedure outlined herein or provided, including forfeiture, shall be deemed to be cumulative.

### Section 13. ACQUISITION AND VALUATION

Nothing in this ordinance or in the franchise granted hereby shall be construed as in any way impairing City's rights to acquire property of Grantee through the exercise of City's power of eminent domain or through voluntary agreement between City and Grantee. In the event that City chooses to exercise its power of eminent domain, it shall do so in accordance with the procedures provided by the general law of the State of California for the condemnation of public utility property. The valuation of such property for condemnation purposes shall be made in accordance with such general law.

**Section 14. PUBLICATION EXPENSE**

Grantee of said franchise shall pay to City a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting thereof; such payment to be made within thirty (30) days after City shall have furnished Grantee with a written statement of such expenses.

**Section 15. STATE HIGHWAY EXCLUSION**

The franchise granted hereby shall not be a contract within the meaning of Section 703 of the Streets and Highways Code of the State of California and the cost of any relocation made necessary by the construction or any lawful change of grade, alignment or width of any State highway or freeway constructed by the State of California shall not be governed by the provisions of the franchise granted hereby but shall be governed by the provisions of Chapter 3, Division 1 of said Streets and Highways Code and any other applicable provisions of State law.

Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

(2) A sum of money equal to one percent (1%) of the amount due per month as interest and for loss of use of the money due.

Section 6. COMPLIANCE WITH LAWS

All facilities or equipment of Grantee that Grantee shall construct, maintain and use or remove, pursuant to the provisions of the franchise granted herein shall be accomplished in accordance with the ordinances, rules and regulations of City now or as hereafter adopted or prescribed, and such rules or regulations as are promulgated under State law, or orders of the Public Utilities Commission or other governmental authority having jurisdiction in the premises.

Section 7. ADMINISTRATIVE PRACTICES

Grantee is herewith charged with the responsibility of cooperating with City in preparing a manual of administrative practices which shall govern the installation and removal of Grantee's facilities in the streets of City which shall include, but not be limited to, cathodic protection practices. Once each year, commencing with the first full calendar year of the franchise granted herein, it is to be the joint responsibility of Grantee and City to review and update such administrative practices. Both Grantee and City are charged with the duty to prepare, review and update such administrative practices by a method of mutual cooperation which shall take into consideration the reasonable needs and convenience of each party; provided that said administrative practices and the terms and conditions thereof shall be at all times subject to approval of the City Council as expressed by appropriate legislative action.

Following the preparation of said manual, and its approval by the City Council, it shall govern the practices of the Grantee in its installation and removal of Grantee's facilities in the streets of City.

Section 8. CITY RESERVED POWERS

(a) City reserves the right for itself to lay, construct, erect, install, use, operate, repair, replace, remove, relocate, regrade or maintain below surface or above surface improvements of any type or description in, upon, along, across, under or over the streets of the City. City further reserves the right to relocate, remove, vacate or replace the streets themselves. If the necessary exercise of the aforementioned reserve rights conflicts with any poles, wires, conduits, and appurtenances of Grantee constructed, maintained and used pursuant to the provisions of the franchise granted hereby, whether previously constructed, maintained and used or not, Grantee shall, without cost or expense to City within thirty (30) days after written notice from the City Manager, or his designated representative, and request so to do, begin the physical field construction of changing the location of all facilities or equipment so conflicting to a location to be approved by the City Manager, or his designated representative. Grantee shall proceed promptly to complete such required work.

(b) Irrespective of any other provision of this ordinance, Grantee's right to construct, maintain and use, or remove poles, wires, conduits and appurtenances thereto shall be subject at all times

to the right of the City, in the exercise of its police power, to require the removal or relocation, to either overhead or underground locations, of said poles, wires, conduits and appurtenances thereto at the sole cost and expense of Grantee.

Section 9. RELOCATION

(a) If for any reason existing poles, wires, conduits and appurtenances are relocated, they shall at the sole option of the City be relocated underground at no cost to the City.

(b) Irrespective of the provisions set forth in Section 9(a) above, Grantee shall, at the sole option of the City, for each calendar year of the franchise granted herein, cause to be relocated underground a length of overhead installations and appurtenances thereto, the cost of which is equal to each two and one-half percent (2 1/2%) of Grantee's gross revenues for each calendar year of the franchise granted herein, provided that said relocations and the percentage of gross revenues as set forth herein shall at all times pertinent take into consideration the provisions of Section 9(a) hereof, and Grantee shall be entitled to a credit against this section for any relocations to underground accomplished under Section 9(a).

(c) The requirements set forth in Sections 9(a) and 9(b) as set forth above are, in addition to all provisions set forth above, subject to the condition that City cooperate in this undergrounding endeavor

by performing certain construction and work required to prepare the street for said undergrounding relocation. Said preparation shall consist only of providing the necessary cutting of the street pavement and replacing the pavement on all streets other than streets in, on or over any bridge or overpass.

(d) The underground relocations required by the terms of the franchise granted hereby shall be in addition to any undergrounding required of Grantee by the California Public Utilities Commission and any other regulatory agency of competent jurisdiction, and shall not be construed as a limitation of rights reserved to City under Section 8. Any Federal or State funds made available to Grantee for purposes of undergrounding its facilities shall be expended on undergrounding other than the relocations provided for by the terms of the franchise granted hereby and in addition thereto; provided, however, that nothing herein contained shall be construed as limiting Grantee's right to accept such Federal or State funds on any terms and conditions that are imposed on Grantee by the agency which makes such funds available. Any funds expended for undergrounding pursuant to the rules and regulations of the California Public Utilities Commission shall be expended on undergrounding projects other than those provided for by the terms of the franchise granted hereby.

Section 10. HOLD HARMLESS

Grantee of the franchise granted hereby shall indemnify, save and hold harmless, City and any officers and employees thereof against and from all damages, judgments, decrees,

costs and expenditures which City, or such officer or employee, may suffer, or which may be recovered from, or obtainable against City, or such officer or employee, for, or by reason of, or growing out of or resulting from the exercising by Grantee of any or all of the rights or privileges granted hereby, or by reason of any act or acts of Grantee or its servants or agents in exercising the franchise granted hereby, and Grantee shall defend any suit that may be instituted against City, or any officer or employee thereof, by reason of or growing out of or resulting from the exercise by Grantee of any or all of the rights or privileges granted hereby, or by reason of any act or acts of Grantee, or its servants or agents, in exercising the franchise granted hereby.

Section 11. REPAIR COSTS

Grantee shall pay to City on demand the cost of all repairs to City property made necessary by any of the operations of Grantee under the franchise granted hereby.

Section 12. FORFEITURE

This franchise is granted upon each and every condition herein contained, and shall ever be strictly construed against Grantee. Nothing shall pass by the franchise granted hereby to Grantee unless it be granted in plain and unambiguous terms. Each of said conditions is a material and essential condition to the granting of the franchise. If Grantee shall fail, neglect or refuse to comply with any of the conditions of the franchise granted hereby, or of any of the terms or conditions of any ordinance now in force or hereafter adopted by City in the exercise of its police power during the term hereof, and if such

failure, neglect or refusal shall continue for more than thirty (30) days after written demand by the City Manager, for compliance therewith, then City, by the City Council, in addition to all rights and remedies allowed by law, thereupon may terminate the right, privilege and franchise granted in and by this ordinance, and all the rights, privileges and the franchise of Grantee granted hereby shall thereupon be at an end. Thereupon and immediately, Grantee shall surrender all rights and privileges in and to the franchise granted hereby. No provision herein made for the purpose of securing the enforcement of the terms and conditions of the franchise granted hereby shall be deemed an exclusive remedy or to afford the exclusive procedure for the enforcement of said terms and conditions, but the remedies and procedure outlined herein or provided, including forfeiture, shall be deemed to be cumulative.

#### Section 13. ACQUISITION AND VALUATION

Nothing in this ordinance or in the franchise granted hereby shall be construed as in any way impairing City's rights to acquire property of Grantee through the exercise of City's power of eminent domain or through voluntary agreement between City and Grantee. In the event that City chooses to exercise its power of eminent domain, it shall do so in accordance with the procedures provided by the general law of the State of California for the condemnation of public utility property. The valuation of such property for condemnation purposes shall be made in accordance with such general law.

Section 14. PUBLICATION EXPENSE

Grantee of said franchise shall pay to City a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting thereof; such payment to be made within thirty (30) days after City shall have furnished Grantee with a written statement of such expenses.

Section 15. STATE HIGHWAY EXCLUSION

The franchise granted hereby shall not be a contract within the meaning of Section 703 of the Streets and Highways Code of the State of California and the cost of any relocation made necessary by the construction or any lawful change of grade, alignment or width of any State highway or freeway constructed by the State of California shall not be governed by the provisions of the franchise granted hereby but shall be governed by the provisions of Chapter 3, Division 1 of said Streets and Highways Code and any other applicable provisions of State law.

Section 16. AUTHORITY FOR GRANT

Notwithstanding any other provisions contained herein, this franchise is granted solely and exclusively under Sections 103, 103.1, 104 and 105 of the Charter of The City of San Diego and under no other authority.

Section 17. NO TRANSFER WITHOUT CONSENT

Grantee shall not sell, transfer or assign this franchise or the rights and privileges granted thereby without the consent of the City Council of The City of San Diego, as set forth in Section 103 of the Charter of The City of San Diego.

Section 18. RIGHT OF CITY'S ELECTORS

This grant of franchise and authority shall be and is subject to the right of the majority of the electors of City voting at any election at any time thereafter to repeal, change or modify the grant, and such right is hereby expressly reserved to said electors; and it is expressly agreed that at any election held in City a majority of the electors of City voting at said election shall have the right to repeal, change or modify the terms of this franchise and the authority granted hereunder.

Section 19. PERFORMANCE BOND

Grantee shall file and maintain a faithful performance bond in favor of the City as beneficiary in the sum of Five Hundred Thousand Dollars (\$500,000) conditioned that Grantee shall well and truly observe, fulfill and perform each and every term and condition of the franchise herein granted, and that in case of any breach of any condition of the franchise, the whole amount of the penal sum made in the bond shall be taken and deemed to be liquidated damages and shall be receivable from the principal and sureties upon said bond, which bond shall be acknowledged by Grantee as principal and by a corporation licensed by the Insurance Commissioner of the State of California to transact the business of a fidelity and surety insurance company as surety.
