which shall consist of fifteen (15) members appointed
by the Mayor and confirmed by the Council. Appointments
shall be for a two (2) year term ending in December of
each odd-numbered year, on the date of which and the
time at which the terms of office of Councilmen elected
the preceding November commence. The Mayor shall
select a chairman of the Board in December of each year.

MICROFILMED
APR 28 1978

Vacancies shall be filled for the unexpired term of the member whose place has become vacant. All members shall serve without compensation.

The Board shall adopt rules consistent with laws for the government of its business and procedures. The Board shall meet not less than once a month.

C. HISTORICAL SITE

A historical site is any site (including significant trees or other plant life located thereon), building, structure or mark of historical significance due to its association with such things as noted past events, historical persons, or distinguishing architectural characteristics.

D. DUTIES AND FUNCTIONS

The Board shall:

1. Inspect any site, building or structure which it has reason to believe is, or will be, a historical site and coordinate its activities with the San Diego Marking Commission, the State of California, and the Federal Government to prevent any duplication of efforts.

2. Compile and maintain a current register of all sites, buildings and structures it has determined to be historical sites. A description of the site and its reason for inclusion shall be contained therein. Copies of said register shall be transmitted to the Departments of Planning,

Parks and Public Facilities, Fire, Building Inspection, Engineering, Community Development, City Clerk and other interested departments and/or governmental or civic agencies.

3. The Historical Site Board shall also notify the owner of each building, structure or other site, cultural or historic, in writing, of the fact that his property is included in the list, and shall give such person written notice of any further action which it takes with respect to such property. For purposes of this section, the owner of such property shall be deemed to be the person appearing as the owner of such property on the last equalized assessment roll of the County of San Diego. Such notice shall be mailed to the address shown on the said assessment roll as soon as practicable after the property is included in the list or at the time the Historical Site Board takes further action regarding it.

4. Explore means for the protection, retention and preservation of any historical site including, but not limited to, appropriate legislation and financing, such as the establishment of a private funding organization or individual, local, state or federal assistance.

5. Recommend standards for historical and aesthetic zones and the establishment of such zones within the City.

6. Consult with and advise the Mayor, City Council, City Planning Commission and City Manager in connection with the exercise of its duties and functions.

E. DEMOLITION, ALTERATION OR REMOVAL OF HISTORICAL SITES

1. No permit for the demolition, substantial alteration or removal of any building, structure or site listed in the register of historic sites shall be issued without first referring the matter to the Historical Site Board, except where the City Manager determines that demolition, removal or substantial alteration of any such building, structure or site is immediately necessary in the interest of the public health, safety or general welfare. The Building Inspection, Engineering and Community Development Departments shall notify the Historical Site Board in writing within five (5) days of any request it receives for any such permit.

2. No person shall remove trees, plants or other major landscaping from any property designated as a historical site without the prior approval of the City Manager. The City Manager shall notify the Historical Site Board in writing of any such request within five (5) days of its receipt

3. The Historical Site Board shall have thirty (30) days from the date of such notification within which to object to the proposed demolition, major alteration or removal of the trees, plants or other major landscaping. The Historical Site Board shall file its objections with the City Manager or his delegate. Upon the filing of said objections, no permits shall be issued for the demolition, major alteration, or removal of said historic site for a period of not less than thirty (30) nor more than one hundred eighty (180) days. The City Manager shall notify the appropriate departments of the filing of objections by the Historical Site Board. Failure to file objections within the thirty (30) day period shall be deemed a waiver of all objections, and the permit shall be issued in due course.

4. Upon the filing of objections, the Historical Site Board shall take such steps within the scope of its powers and duties as it determines are necessary for the preservation of the historical site. No such action shall be taken by the Historical Site Board, however, until the same has been first submitted to and approved by the City Council. At the end of the first thirty (30) days, the Historical Site Board shall

report its progress to the City Council which may, upon review of the progress report, withdraw and cancel the objection to the proposed demolition, major alteration or removal, and the necessary permits shall then be issued. If at the end of the first one hundred (100) days of the aforesaid one hundred eighty (180) day period it is found that the preservation of the site, building or structure cannot be fully accomplished within the one hundred eighty (180) day period and the Historical Site Board determines that such preservation can be satisfactorily completed within an additional period not to exceed one hundred eighty (180) days, the Historical Site Board may recommend to the City Council that a request for extension be granted. Such recommendation shall set forth the reasons therefor and the progress to that date of the steps taken to preserve the site. The City Council may accept such recommendation for good cause shown, and if it appears that preservation may be completed within the time requested, may grant an extension of time not to exceed one hundred eighty (180) days. No such request for extension shall be made after the expiration of the original one hundred eighty (180) day suspension period.
