AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, OF THE
SAN DIEGO MUNICIPAL CODE BY ADDING SECTION 101.0452.9
RELATING TO THE HEIGHT LIMITATION ZONE - PACIFIC BEACH.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Chapter X, Article 1, of the San Diego
Municipal Code be amended by adding Section 101.0452.9 to read
as follows:

SEC. 101.0452.9 HEIGHT LIMITATION ZONE - PACIFIC BEACH

A. PURPOSE AND INTENT

of buildings and structures within the Pacific Beach area to
50 feet except in those areas where more restrictive height
limitations apply or where it has been determined by the
Planning Commission or City Council that buildings may exceed
50 feet in height.

It is the intent of this section that land development
in the Pacific Beach area will occur in an orderly manner to
the end that buildings exceeding 50 feet in height will be so
located and designed as to be appropriate to the area, taking
into account conditions of development, sound planning practices,
effect on community development and the public health, safety
and general welfare.

1. Property which is in any zone or area subject to a height limitation of 50 feet or less.
2. Property on which there is, on January 1, 1972, located or under construction a building or structure exceeding upon completion 50 feet in height; provided, however, any repair, alteration or modification of such building or structure shall not increase the height of such building or structure.

D. EXCEPTIONS

1. Application. Upon filing of a letter of request with the Planning Department for an exception to the Pacific Beach Height Limitation Zone, which letter shall be accompanied by appropriate schematic plot

It is the intent hereof that such plans shall be limited to such detail as will inform the Planning Commission as to matter included within the criteria set forth below.

2. Decision. After the public hearing, the Planning Commission may, by resolution, grant an exception to the Pacific Beach Height Limitation Zone, if the Planning Commission finds from the evidence presented at the hearing that all of the following facts exist:
 - a. That the proposed structure at the particular location and under the proposed conditions of development with regard to good planning practice, including provisions for height, building bulk, yards, open spaces, lot coverage, grading and related matters, will provide equally as well for light and air, for public health, safety and convenience and the preservation of the general welfare of the community as if developed to the limits imposed by the 50 foot height limitation and the other zoning regulations applicable to the property in question.

- b. That the proposed structure will comply with the regulations and conditions specified in the Code for such structure.
- c. That the granting of an exception will not adversely affect any adopted plan of any governmental agency.

In addition to requiring compliance with applicable provisions of the San Diego Municipal Code, the Planning Commission in granting an exception may impose other and additional conditions, relating to maximum height, yards, open space, access, and site developments, as it may deem necessary or desirable to meet the requirements of this section.

In granting any exception the Planning Commission shall make a written finding which shall specify facts relied upon in rendering its decision, and shall set forth wherein the facts and circumstances fulfill or fail to fulfill the requirements of this section. A copy of this written Finding of Fact shall be filed with the City Clerk, the Department of Building Inspection, the City Planning Department, and shall be mailed to the applicant.

- 3. Appeal to the City Council from the decision of the Planning Commission. The decision of the Planning Commission shall be final on the eleventh day following such filing in the office of the City Clerk except when appeal is taken to the City Council

in accordance with the procedures as set forth in
Section 101.0506 of the San Diego Municipal Code.

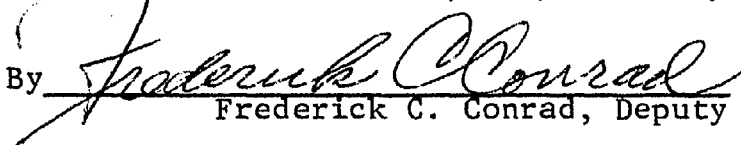

E. EXPIRATION DATE

This section shall remain in force and effect until
December 31, 1972.

Section 2. This ordinance shall take effect and be in force
on December 31, 1971, and no permits for construction, alteration
or repair of any building or structure which do not conform with
this ordinance shall be issued unless the application and all plans
therefor have been filed prior to December 1, 1971.
