

RESOLUTION OF INTENTION NO. 205320 APR 11 1972

TO IMPROVE AND ESTABLISH THE GRADE ON REGENTS ROAD

BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911 and amendments thereto, and that the alternate procedures authorized by Article XIII, Section 17 of the California Constitution and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code shall be followed in lieu of the procedures of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, such work being more particularly described as follows:

Section 1

DESCRIPTION OF WORK

That a portion of REGENTS ROAD, between the northerly line of La Jolla Village Drive and the northerly line of Miramar Street, be graded; that certain paving, curbs, sidewalk, water main and appurtenant work be constructed therein and establish the grade thereof.

That certain appurtenant work be constructed on Miramar Street at its intersection with REGENTS ROAD.

That the said work hereinabove described on REGENTS ROAD in said City and streets intersecting therewith shall be done to the grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to, and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

The City Council hereby declares that the parcel of land lying westerly of said REGENTS ROAD and designated as

Parcel 344-200-49 on the Plat, owned by the Regents of the University of California and used in the performance of a public function, shall be omitted from the assessment hereafter to be made to cover the costs and expenses of the work.

It is the opinion of the City Council that the public interest will not be served by allowing the property owners to take over the contract for the above mentioned improvements. Therefore, Section 5249, Division 7, Part 3 of the Streets and Highways Code will not apply.

Section 2

PLANS, PROFILES, DRAWINGS AND SPECIFICATIONS

All of the work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, of the dimensions, and to the official grades as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 739545 on file in the office of the City Clerk, copies of which are on file in the office of the City Engineer, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

Section 3

DESCRIPTION OF ASSESSMENT DISTRICT

The contemplated work and improvement hereinbefore mentioned is, in the opinion of the Council, of more than local ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and the Council does declare said district to be the district benefited by the work and improvement, and to be assessed to pay the costs and expenses thereof. The district is described as follows:

Reference is hereby made to the plat for a further full and more particular description of the assessment district and the plat so on file shall govern for all details as to the extent of the assessment district.

Section 4

The bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date. Payments on the principal of unpaid assessments and interest thereof shall be made by property owners to the City Treasurer, and the same shall be disbursed by said City Treasurer, all as provided in the "Improvement Act of 1911" hereinabove referred to. If said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid.
