

RESOLUTION NO. 206813

OCT 31 1972

WHEREAS, the Assembly of the State of California, through adoption of ACR 65, directed the State Resources Agency to review the impact of the flood control project on the Tijuana River Valley; and

WHEREAS, the City Council by adopting Resolution No. 204491 on December 21, 1971, suspended action to acquire right-of-way in the Tijuana River area in connection with the proposed concrete-lined flood control project and directed that the Border Area Plan be analyzed; and

WHEREAS, the State Resources Agency report of July, 1972, responding to ACR 65 recommends acquisition of the estuary area; and

WHEREAS, City studies undertaken pursuant to Council direction have led to a preliminary plan concept for the Tijuana River Valley as a basis for further feasibility analysis; and

WHEREAS, the Council has reviewed said preliminary planning concept for the Tijuana River Valley and agrees that it provides a basis for further evaluation; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. That the preliminary plan concept is accepted by the City Council at this time as a basis for proceeding with further feasibility investigations.

WHEREAS, the Council has reviewed said preliminary planning concept for the Tijuana River Valley and agrees that it provides a basis for further evaluation; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. That the preliminary plan concept is accepted by the City Council at this time as a basis for proceeding with further feasibility investigations.

2. That the City Council authorize the City Manager, with the assistance of the Planning Department, to proceed with appropriate consultant contract or contracts to evaluate the agriculture potentials of the Tijuana River Valley. Such study should include financial feasibility of a soils management program including soil rehabilitation and recharging of the underground water basin.

3. That the City Council directs the Planning Department to submit the preliminary plan concept to local, public, and private agencies and organizations for study and comment as soon as feasible.

4. That the City Council directs the Planning Department to analyze the results of the various studies and efforts recommended above and prepare appropriate amendments for public hearings to the adopted Border Area Plan.

5. That the City Council urges the Planning Commission to complete its study and hearings as soon as feasible on revisions to flood plain regulations.
