

ORDINANCE NO. 10978 JAN 16 1973
(New Series)

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1,
DIVISION 4 OF THE SAN DIEGO MUNICIPAL CODE
BY AMENDING SECTION 101.0428.1 RELATING TO
THE CA ZONE.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Chapter X, Article 1, Division 4 of the
San Diego Municipal Code be amended by amending Section
101.0428.1 to read as follows:

SEC. 101.0428.1 CA ZONE
(Area Shopping Center)

A. PURPOSE AND INTENT

The CA Zone is primarily intended to accommodate
community and regional shopping centers, which typically
serve large areas of the City. In view of the extensive
service areas of such centers, as well as their significant
impact on adjacent land use and circulation patterns, this
zone should be applied only on the basis of comprehensive
plans for community development. The protective standards
contained herein seek to minimize any adverse effects of
the center on nearby properties, and to provide for safe
and efficient operation of the shopping centers themselves.

B. PERMITTED USES

In the CA Zone, no building or improvement, or
portion thereof, shall be erected, constructed, converted,
established, altered or enlarged, nor shall any premises
be used except for one or more of the following purposes:

4. Maximum Floor Area Ratio.

The maximum floor area ratio shall be two.

5. Regulations for Residential Development.

All buildings, improvements or portions thereof, erected, constructed, converted, established, altered or enlarged in this zone which are designed or intended for living purposes shall observe minimum front, side and rear yards, maximum coverage, density and floor area ratio, as required in the R-2A Zone as set forth in Section 101.0410. In those cases where the premises are occupied or proposed to be occupied by both commercial and residential uses, the minimum front, side and rear yards, maximum coverage and density shall be determined and computed without regard to the buildings or portions thereof to be occupied by the commercial uses.

6. Landscaping.

Prior to the use and occupancy of any premises, a strip of land within said premises abutting public street rights-of-way (except for approved ways of ingress and egress) shall be suitably landscaped with shrubs, trees and ornamental ground cover. Said strip shall have a

minimum depth of five feet and an area equal in square feet to ten times the length of the property line abutting public street rights-of-way (except for approved ways of ingress and egress). Any portion of said landscaped strip which exceeds 25 feet in depth shall not be included in calculating the required area. Prior to the issuance of any building permits, a complete landscaping plan shall be submitted to the Zoning Administrator for approval; said landscaping plan shall be in substantial conformance with standards and specifications adopted by the Planning Commission as set forth in the document entitled, "Developmental Standards and Operational Standards - Landscaped Strips," on file in the office of the Planning Department. Substantial conformance shall be determined by the Zoning Administrator; said determination shall be subject to appeal in the manner set forth in Chapter X, Article 1, Division 5 of this Code. Landscaping and required watering system shall be installed prior to the use of the premises. All landscaping material in required landscaped areas shall be permanently maintained in a growing and healthy condition, including trimming, as appropriate to the landscaping material in

accordance with the "Developmental Standards and Operational Standards - Landscaped Strips" referred to above.

7. Walls.

Prior to the use or occupancy of any premises, a wall not less than six feet in height shall be constructed along all portions of the perimeter of said premises that abut residentially zoned property; provided, however, that within any required front yard or street side yard such wall shall be reduced in height to three feet.

8. Other applicable property development regulations are contained in Division 6 of this Article.

E. OFF-STREET PARKING REGULATIONS

1. Every premises used for one or more of the permitted uses listed in paragraph "B." above shall be provided with a minimum of off-street parking spaces on the same lot or premises as follows:

- a. For hotels and motels, one parking space for each guest room or suite.
- b. For apartments, 1.3 parking spaces for each dwelling unit containing not more than one bedroom and 1.6 parking spaces for each dwelling unit containing two or more bedrooms.

- c. For private clubs and similar establishments, one parking space for each guest room or one parking space for each 200 square feet of gross floor area, whichever is greater.
- d. For theaters, other than drive-in theaters, and places of public assembly not otherwise provided for in this section, one parking space for each three fixed seats or one parking space for each 21 square feet of floor area where there are no fixed seats.
- e. For other permitted uses, one parking space for each 200 square feet of gross floor area.

- 2. Where ambiguity exists in the application of these off-street parking requirements or where any use not specified in paragraph "B." above is found to be a permitted use, the off-street parking requirement shall be consistent with that for similar uses in this zone.
- 3. All off-street parking facilities shall be constructed, operated and maintained in compliance with Division 8 of this Article.

4. Any other use which the Planning Commission may find to be similar in character to the uses, including accessory uses, enumerated in this section and consistent with the purpose and intent of this zone. The adopted resolution embodying such finding shall be filed in the office of the City Clerk.
5. Accessory uses for any of the foregoing permitted uses, including signs.

C. SPECIAL REGULATIONS

All accessory uses shall be located in the same building as the permitted use or uses which they serve. There shall be no entrance to any such accessory uses except through a foyer, court, lobby, patio or other similar area.

D. PROPERTY DEVELOPMENT REGULATIONS

No building or portion thereof shall be erected, constructed, converted, established, altered, enlarged or used nor shall any premises be used unless the lot or premises and buildings shall comply with the following regulations and standards:

1. Minimum Lot Dimensions.
 - a. Area—10,000 square feet.
 - b. Street frontage—100 feet.
 - c. Width—100 feet.
 - d. Exception. Any lot which qualifies under the definition of a lot as set forth in this Code and which does not comply in all respects with the minimum lot dimensions specified herein may nevertheless be used as permitted and otherwise regulated by the provisions applicable to this zone.
2. Minimum Yards.
 - a. Front—ten feet.
 - b. Side.
 - (1) Interior—zero, except that a ten-foot side yard shall be provided when any portion of the side lot line abuts residentially zoned property. Said side yard shall be increased three feet for each story above two.
 - (2) Street—ten feet, except that the minimum shall be:
 - (a) Nine feet for any lot having a width of 45 feet but less than 50 feet.
 - (b) Eight feet for any lot having a width of 40 feet but less than 45 feet.
 - (c) Seven feet for any lot having a width of 35 feet but less than 40 feet.
 - (d) Six feet for any lot having a width of 30 feet but less than 35 feet.
 - (e) Five feet for any lot having a width of less than 30 feet.

02015

c. Rear—zero, except that a 15-foot rear yard shall be provided when any portion of the rear lot line abuts residentially zoned property. Said rear yard shall be increased three feet for each story above two.

d. Exceptions to Front and Street Side Yard Regulations. Off-street parking may be located within the required front yard and street side yard adjoining the required landscaped strip abutting public street rights-of-way.

3. Maximum Coverage.

a. Interior lot—50 percent.

b. Corner lot—60 percent.

4. Maximum Floor Area Ratio.

The maximum floor area ratio shall be two.

5. Regulations for Residential Development.

All buildings, improvements or portions thereof, erected, constructed, converted, established, altered or enlarged in this zone which are designed or intended for living purposes shall observe minimum front, side and rear yards, maximum coverage, density and floor area ratio, as required in the R-2A Zone as set forth in Section 101.0410. In those cases where the premises are occupied or proposed to be occupied by both commercial and residential uses, the minimum front, side and rear yards, maximum coverage and density shall be determined and computed without regard to the buildings or portions thereof to be occupied by the commercial uses.

6. Landscaping.

Prior to the use and occupancy of any premises, a strip of land within said premises abutting public street rights-of-way (except for approved ways of ingress and egress) shall be suitably landscaped with shrubs, trees and ornamental ground cover. Said strip shall have a minimum depth of five feet and an area equal in square feet to ten times the length of the property line abutting public street rights-of-way (except for approved ways of ingress and egress). Any portion of said landscaped strip which exceeds 25 feet in depth shall not be included in calculating the required area. Prior to the issuance of any building permits, a complete landscaping plan shall be submitted to the Zoning Administrator for approval; said landscaping plan shall be in substantial conformance with standards and specifications adopted by the Planning Commission as set forth in the document entitled, "Developmental Standards and Operational Standards—Landscaped Strips," on file in the office of the Planning Department. Substantial conformance shall be determined by the Zoning Administrator; said determination shall be subject to appeal in the manner set forth in Chapter X, Article 1, Division 5 of this Code. Landscaping and required watering system shall be installed prior to the use of the premises. All landscaping material in required landscaped areas shall be permanently maintained in a growing and healthy condition, including trimming, as appropriate to the landscaping material in accordance with the "Developmental Standards and Operational Standards—Landscaped Strips" referred to above.

7. Walls.

Prior to the use or occupancy of any premises, a wall not less than six feet in height shall be constructed along all portions of the perimeter of said premises that abut residentially zoned property; provided, however, that within any required front yard or street side yard such wall shall be reduced in height to three feet.

8. Other applicable property development regulations are contained in Division 5 of this Article.

E. OFF-STREET PARKING REGULATIONS

1. Every premises used for one or more of the permitted uses listed in paragraph "B," above shall be provided with a minimum of off-street parking spaces on the same lot or premises as follows:

a. For hotels and motels, one parking space for each guest room or suite.

b. For apartments, 1.3 parking spaces for each dwelling unit containing not more than one bedroom and 1.0 parking spaces for each dwelling unit containing two or more bedrooms.

c. For private clubs and similar establishments, one parking space for each guest room or one parking space for each 200 square feet of gross floor area, whichever is greater.

d. For theaters, other than drive-in theaters, and places of public assembly not otherwise provided for in this section, one parking space for each three fixed seats or one parking space for each 21 square feet of floor area where there are no fixed seats.

e. For other permitted uses, one parking space for each 200 square feet of gross floor area.

2. Where ambiguity exists in the application of these off-street parking requirements or where any use not specified in paragraph "B," above is found to be a permitted use, the off-street parking requirement shall be consistent with that for similar uses in this zone.

3. All off-street parking facilities shall be constructed, operated and maintained in compliance with Division 8 of this Article.

Section 2. This ordinance shall take effect and be in force on the thirtieth day from and after its passage and no building permits for development inconsistent with the provisions of this ordinance shall be issued unless application therefor is made prior to the effective date of this ordinance.

Introduced on January 2, 1973.

Passed and adopted by the Council of The City of San Diego on January 16, 1973.
