

RESOLUTION OF INTENTION NO. 208046 MAY 29 1973

TO IMPROVE AND TO ESTABLISH THE GRADE ON
BONITA DRIVE, BETWEEN CERVANTES AVENUE AND
OLVERA AVENUE.

BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911 and amendments thereto, and that the alternate procedures authorized by Article XIII, Section 17 of the California Constitution and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code shall be followed in lieu of the procedures of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, such work being more particularly described as follows:

Section 1

DESCRIPTION OF WORK

That a portion of BONITA DRIVE, in said City, from the existing improvements at the intersection of Bonita Drive and Cervantes Avenue northeasterly to the existing improvements at the intersection of Bonita Drive and Olvera Avenue, be graded; that certain paving, cross gutter, segment, sidewalks, curbs, curb inlet, storm drain, residential driveways, control monuments, sewer main and appurtenances and appurtenant work in connection with any of the foregoing be constructed therein and establish the grade thereof.

That the said work hereinabove described in BONITA DRIVE, in said City, and streets intersecting therewith, shall be done to the grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to, and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

Certain work contemplated herein, when performed to the lines and grades as set forth on the plans and profiles referred to, will create a disparity in level or size between the improvement, driveways, and house-walks as heretofore previously described and as shown on the plans, and this Council hereby determines that it is in the public interest and more economical to do certain work on private property than to adjust the work on public property. The actual cost of such work shall be added to the assessment of the lot on which the work is done; and the consent of the owners of said

lots hereinabove referred to shall first be obtained prior to the ordering of any work on private property.

It is the opinion of the City Council that the public interest will not be served by allowing the property owners to take over the contract for the above-mentioned improvements. Therefore Section 5249, Division 7, Part 3 of the Streets and Highways Code will not apply.

Section 2

PLANS, PROFILES, DRAWINGS AND SPECIFICATIONS

All of the work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, of the dimensions, and to the official grades as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 743569 on file in the office of the City Clerk, copies of which are on file in the office of the City Engineer, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

Section 3

DESCRIPTION OF ASSESSMENT DISTRICT

The contemplated work and improvement hereinbefore mentioned is, in the opinion of the Council, of more than local ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and the Council does declare said district to be the district benefited by the work and improvement, and to be assessed to pay the costs and expenses thereof. The district is described as follows:

All that real property in the said City of San Diego included within the exterior boundary lines of said District, as shown upon Plat No. 3853, which plat, approved by the Council, is on file in the office of the City Clerk, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the plat for a further full and more particular description of the assessment district and the plat so on file shall govern for all details as to the extent of the assessment district.

Section 4

DESCRIPTION OF BONDS

Serial bonds bearing interest at the rate of seven percent (7%) per annum shall be issued to represent each unpaid

assessment of fifty dollars (\$50.00) or more, to represent the expenses of the acquisition, work and improvement, all as provided by the "Improvement Act of 1911," being Part 5, Division 7, of the Streets and Highways Code. The bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date. Payments on the principal of unpaid assessments and interest thereof shall be made by property owners to the City Treasurer, and the same shall be disbursed by said City Treasurer, all as provided in the "Improvement Act of 1911" hereinabove referred to. If said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid.

Section 5

TIME AND PLACE OF HEARING

NOTICE IS HEREBY GIVEN that JUL 3 1973 at 9:30 o'clock a.m. in the Council Chamber of the City Administration Building, Community Concourse, 202 "C" Street, in the City of San Diego, California, is the day, hour and place for the hearing when any person interested may object to the City Council's determination that the public convenience and necessity require the improvement described in the Resolution of Intention without further proceedings under the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, all as authorized by Article XIII, Section 17 of the Constitution of California, and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code; and as the time and place for hearing when and where any and all persons having any objections or protests to the proposed work or improvement, to the grades at which the work is to be done, or to the extent of the district to be assessed, may appear and show cause why the proposed improvement should not be carried out in accordance with the Resolution of Intention; failure to make objections at that time shall be deemed to be a waiver of all objections and shall operate as a bar for any claim for damages.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same and shall be delivered to and filed with the City Clerk at a time no later than the hour set for the hearing, all as more particularly provided in Division 7 of the Streets and Highways Code of the State of California.

Section 6

IMPROVEMENT ACT

All of the work herein proposed shall be done in pursuance of an act of the Legislature of the State of California

designated as the "Improvement Act of 1911," and amendments thereto, being Division 7 of the Streets and Highways Code of the State of California.

Section 7

PUBLICATION OF RESOLUTION OF INTENTION

The City Clerk is directed to cause this Resolution of Intention to be published twice at least ten days before the date of the hearing in the City Official Newspaper.

The City Clerk is directed to mail notices of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, all in the manner and form provided for under California Streets and Highways Code, Sections 5070, 5194 and 5195.

Section 8

POSTING OF NOTICE OF IMPROVEMENT

The Street Superintendent shall cause to be conspicuously posted along the line of the contemplated work or improvement and along all open streets within the district liable to be assessed for the work, notices of the passage of this Resolution of Intention in time, form and manner provided by the Streets and Highways Code.
