BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to establish a street tree maintenance district to pay the costs of maintenance of all trees, shrubs, plants, etc., planted or placed within the public rights of way or public easements located within the boundaries of the district hereinafter described in said City under the provisions of the San Diego Maintenance District Procedural Ordinance of 1969 authorized by Article XIII, Section 17, of the California Constitution and provided for in Sections 65.0201 through 65.0244 of the San Diego Municipal Code, such maintenance being particularly described as follows:

Section 1

DESCRIPTION OF MAINTENANCE

The proposed street tree maintenance consists in general of the following:

- a. Irrigation, fertilization and pruning and/or shaping of trees and shrubs;
- b. Removal of weeds, trash and litter from planter boxes and tree wells;
- c. Replacement of dead or diseased trees and shrubs;
- d. Repair of equipment and facilities;
- e. Pest control.

The maintenance to be performed in the Centre City Way Zone consists of:

- a. Periodic sweeping and scrubbing of sidewalk areas;
- b. Cleaning and maintenance of street furniture, drinking fountains, kiosks and trash receptacles;

- d. Replacement of annual plants;
- e. Irrigation, fertilization and pruning of trees, shrubs and plants in planter areas.

The maintenance shall be for the period July 1, 1973 through June 30, 1974.

Section 2

DESCRIPTION OF MAINTENANCE DISTRICT

The expenses of the contemplated maintenance hereinbefore mentioned are made chargeable upon the district hereinafter described and the Council does declare said district to be the district benefited by the maintenance and to be assessed to pay the costs and expenses thereof. The district is described as follows, to wit:

All that real property in the City of San Diego included within the exterior boundary lines of the map designated as the Downtown Street Tree Maintenance District of 1972 and consisting of five pages, on file in the office of the City Clerk under Document No. 743952, excepting therefrom all

public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a further full and more particular description of the maintenance district and the map so on file shall govern for all details as to the extent of the maintenance district.

Section 3

ASSESSMENT OF COST AND EXPENSE

It is proposed to assess the total amount of the maintenance costs of the district plus the incidental expense thereto to all the real property within the district in conformance with the provisions of the San Diego Maintenance District Procedural Ordinance of 1969 and in proportion to the estimated benefits from the maintenance to be received by the individual parcels of real property.

The Council may order a portion of the costs of maintenance to be paid by the City from appropriate funds.

Estimated Cost of Maintenance of Downtown Trees, including incidental expenses	\$ 76,000
Estimated Cost of Maintenance of Centre City Way, including incidental expenses	<u>43,300</u>
Estimated Total Cost	\$119,300
Less Estimated Cost of Proposed City Contribution	<u>8,000</u>
Remainder of Cost Proposed to be Assessed against the Parcels Within the District	\$111,300

A statement of the proposed assessments levied against the several lots or parcels of land as shown on the map referred to in Section 2 above is on file in the office of the Street

104.2

Superintendent for public inspection. Assessments will be levied pursuant to Chapter VI, Division 2, Article 5 of the San Diego Municipal Code.

Section 4

SPECIAL ZONES

It is proposed to create within the overall maintenance district a special zone as shown on the assessment diagram, said special zone containing facilities which require special maintenance in addition to that provided generally by the district. That property shown within the special zone has been determined to receive increased benefit from said special maintenance and the assessment levied within the special zone is commensurate with that benefit.

Section 5

TIME AND PLACE OF HEARING

NOTICE IS HEREBY GIVEN THAT JUL 31 1973 at 9:30 o'clock a.m. in the Council Chamber of the City Administration Building, Community Concourse, 202 "C" Street, in the City of San Diego, California, is the day, hour and place for the hearing when any person interested may object to the proposed maintenance or the amount of the assessment. Failure to make objections at that time shall be deemed to be a waiver of all objections and shall operate as a bar for any claim for damages.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be

delivered to and filed with the City Clerk at a time no later than the hour set for the hearing.
