WHEREAS, Chapter VI, Article 1, Division 5 of the San Diego Municipal Code establishes a procedure for the creation of underground utility districts and requires as an initial step in such procedure the holding of a public hearing to determine whether the public health, safety or general welfare requires removal of poles, overhead wires and associated overhead structures and the underground installation of wires and facilities for supplying electric, communication, community antenna television or similar or associated service in any such district; and

WHEREAS, it has been recommended that such an underground utility district, hereinafter called "the District," be formed as more particularly shown on Drawing No. 16044-D, entitled WASHINGTON STREET, (Third Avenue to Ninth Avenue), UNDERGROUND UTILITY DISTRICT, copies of which are on file in the office of the City Clerk as Document No. 746217; NOW, THEREFORE,

2. At such hearing all persons interested shall be given an opportunity to be heard and said hearing may be continued from time to time as may be determined by the City Council. The decision of the City Council as to the formation of the District as described above shall be final and conclusive.
