

R-74-463

RESOLUTION NO. 210787

JUN - 6 1974

WHEREAS, public sector labor relations daily become of greater importance to all levels of government and to the taxpayers who ultimately must pay for agreements reached between public employers and public employees; and

WHEREAS, The City of San Diego is organized and exists under a Charter, adopted by its electorate and approved by the California Legislature, under the appropriate provisions of Article XI of the California Constitution; and

WHEREAS, The City of San Diego traditionally has taken the position, and continues to do so, that relationships between itself and its employees are municipal affairs, as that term is used in Section 5 of Article XI of the California Constitution, not subject to the legislative power of the State except through Constitutional amendment; and

WHEREAS, the City Council, nevertheless, has examined the scheme for public sector labor relations proposed in Senate Bill 2133, now pending before the California Legislature, and finds it to have considerable merit; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

That, subject to the above-stated reservations concerning the status of The City of San Diego as a charter city, this Council, for and on behalf of the citizens of the City of San Diego, hereby publicly expresses its support for SB 2133,
