

RESOLUTION NO. 211281 AUG 8 1974

WHEREAS, certain areas of The City of San Diego do not currently have sufficient school facilities to most efficiently provide the educational needs of said areas; and

WHEREAS, the City Council is desirous of providing the citizens of the city with all legal means of establishing school facilities; and

WHEREAS, by opinion dated January 27, 1972, the City Attorney's office concluded that if "multifarious legal and practical problems" and a "state preemption problem" could be overcome, it would "with reservations" be possible to finance school construction through assessment districts; and

WHEREAS, since January 27, 1972, there have been certain court cases and state legislation which may affect the conclusion reached by the City Attorney's office; and

WHEREAS, the City Council now desires to proceed if legally possible with preparation of a procedural ordinance which would provide for the financing of school facilities through assessment districts; and

WHEREAS, it is uncertain whether any qualified bond counsel would guarantee bonds issued pursuant to such a procedural ordinance and it is thus desirable to request bond counsel to advise and assist the City Attorney in the preparation of such procedural ordinance; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego,
as follows:

That the City Attorney is hereby authorized to solicit proposals from qualified bond counsel on the manner and expense of providing advice and assistance in the development of an ordinance which would establish a procedure to finance necessary school facilities through assessment districts.
