BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911 and amendments thereto, and that the alternate procedures authorized by Article XIII, Section 17 of the California Constitution and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code shall be followed in lieu of the procedures of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, such work being more particularly described as follows:

Section 1

DESCRIPTION OF WORK

That CAMINO RUIZ, between the northerly line of Miramar Road to 400'± north of Capricorn Way, be graded; that certain paving, curbs, berms, sidewalks, drainage structures and storm drains, drainage channels, sewer encasement, chain link fence, metal guard rail, raised pavement markers, traffic signal and safety lighting facilities, signal actuating and control monuments, rock slope protection, landscaping, bicycle paths and appurtenant work be constructed therein and establish the grade on the right-of-way to be acquired for Camino Ruiz.

That BLACK MOUNTAIN ROAD, between a line parallel to and 1,620.89 feet north of the center line of Miramar Road and the south line of Mira Mesa Boulevard, be graded; that certain paving, curbs, sidewalks, bicycle paths and appurtenant work be constructed therein.

That MIRAMAR ROAD, between a line parallel to and distant 653 feet easterly and 637 feet westerly of the centerline of Camino Ruiz, be graded; that certain paving, curbs, traffic signals, safety lighting, signal actuating and control appurtenances and appurtenant work be constructed therein.

That the said work hereinabove described on CAMINO RUIZ, MIRA MESA BOULEVARD, BLACK MOUNTAIN ROAD and MIRAMAR ROAD, all in said City, and streets intersecting therewith, shall be done to the grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to, and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

It is the opinion of the City Council that the public interest will not be served by allowing the property owners to take over the contract for the abovementioned improvements. Therefore, Section 5249, Division 7, Part 3, of the Streets and Highways Code will not apply.
