Section 2. For all positions in the Classified Service of The City of San Diego and for all positions in the Unclassified Service which are identified by the letters "UC," excluding the EXECUTIVE category, the Standard Rate numbers providing uniform compensation for like service, attached hereto as Exhibits B and C, respectively, are hereby adopted. The provision of Section 10 herein relating to employee classifications represented by Local 127, AFSCME, and Exhibit E pertaining thereto are similarly adopted by this reference.

For those positions in the EXECUTIVE category of the Unclassified Service, the Executive classifications listed in Exhibit C and salary ranges attached thereto are hereby adopted.

Section 3. As a schedule of compensation for all officers and employees of The City of San Diego, with the exception of the EXECUTIVE category of the Unclassified Service, there is hereby established and adopted a Table of Pay for Standard Rates indicating biweekly salaries, and containing minimum, maximum and intermediate range steps for each Standard Rate. Biweekly salaries and ranges thereof for said Standard Rates are set forth in the Salary Schedule attached hereto as Exhibit A.

There is hereby established and adopted an EXECUTIVE category within the Unclassified Service of The City of San Diego containing ranges of Executive 01 through Executive 06 for all officers and employees serving in the positions listed in Exhibit C under EXECUTIVE. As a schedule of compensation for

all officers and employees in the EXECUTIVE category, there is hereby established and adopted an Executive Salary Schedule indicating salary ranges for biweekly salaries and containing incremental steps within each Executive range. Said salary ranges and incremental steps are set forth in the Executive Salary Schedule attached hereto as Exhibit D.

The Executive classification of any position listed in Exhibit C may be changed from one Executive range to another only by official action of the City Council.

The "Equivalent Monthly Rates" set forth in Exhibits A and D are for comparative and informational purposes only.

Section 4. For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use as a base that amount heretofore established in Section 1 herein as per annum compensation for the Mayor and Council or that amount fixed in the Standard Rate or incremental step hereinafter set forth in exhibits hereto.

Warrant checks issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the appropriate amount set forth in the schedule of compensation for the Mayor and Council or in the Standard Rate or incremental step attached to the position as indicated in exhibits attached hereto.

Section 5. Increases in compensation for employees in the Classified Service within the range limits of the Standard Rate number attached to the position may be granted by the appointing

authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

The compensation for officers and employees in the Unclassified Service, excluding the EXECUTIVE category listed in Exhibit C, shall be determined and set by the appointing authority at any one of the range steps of the Standard Rate numbers attached to the position.

The compensation for officers and employees in the EXECUTIVE category listed in Exhibit C shall be determined and set by the appropriate appointing authority at any one of the incremental steps of the range attached to the Executive classification. Incremental steps shall be as set forth in Exhibit D attached hereto. In the case of the City Attorney, said determination and setting shall be made by the City Council pursuant to Section 40 of the Charter of The City of San Diego.

Increases in compensation for all officers and employees in the Unclassified Service within the range limits of the Standard Rate number attached to the position or salary range attached to the Executive classification may be granted by the appointing authority upon the basis of seniority, efficiency and merit.

Section 6. For the purpose of computing vacations, leaves of absence, overtime and terminal severance pay for personnel other than firemen and part-time employees, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eighty (80) hour biweekly work period. For firemen and part-time employees, the Auditor and Comptroller is authorized

to utilize appropriate computations established in cooperation with the City Manager and Personnel Director.

Section 7. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by them during an average eighty (80) hour biweekly work period throughout the fiscal year, except as hereinafter provided.

The Civil Service Commission shall establish and supervise a uniform extra compensation plan which shall provide overtime pay not to exceed one and one-half (1 1/2) times an eligible employee's regular base rate of pay, or time off in lieu thereof, and shall provide for extra compensation of one Standard Rate whenever an eligible employee is required for a significant period to work at times substantially unusual for his class of employment, such as (1) working a night shift in which the majority of the hours of work scheduled for said employee throughout any pay period are before 8 a.m. or after 6 p.m., or (2) on a long-term schedule, working a shift regularly split by more than two (2) consecutive hours or such other work schedule as may be determined by the Civil Service Commission and the City Manager or nonmanagerial appointing authority to be substantially unusual for the class of employment. An eligible employee who is required to work under more than one of the unusual conditions indicated above shall receive one Standard Rate increase for each of said unusual conditions which shall be certified by the appointing authority on the

official payroll time sheets to the Personnel Director. Such increases in compensation shall be identified and symbolized on all official payrolls and all records pertaining to said employee's compensation. When one or more of the said working conditions are commonly accepted conditions for the class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class and such determination shall be final.

In addition to the foregoing provisions for extra compensation, an employee who has been released from work and has left the work premises shall, if called back to duty, be paid for the reasonable estimate of the time required for said employee to travel from and to his or her residence and the work area and for the time the employee actually works. The total time of call-back pay, including travel time, shall not be less than two (2) hours, and shall be computed at the employee's regular rate or at one and one-half (1 1/2) times said rate if the employee is designated as eligible for premium overtime pay.

The employees in the Classified Service who shall be eligible for and entitled to receive overtime compensation, as herein provided, shall be designated by the Civil Service Commission in the Personnel Manual of The City of San Diego after consultation with the City Manager and/or nonmanagerial department heads and shall be in accordance with definitions and procedures developed by the Civil Service Commission and the City Auditor and Comptroller in cooperation with the said

appointing authorities, which said definitions and procedures shall be final, conclusive and binding on all appointing authorities and officers and employees, it being the intention of this Council that authority and responsibility for determining eligibility for overtime compensation pursuant to the provisions of this ordinance be vested in the Civil Service Commission.

Section 8. Sworn personnel in the Police Department eligible for extra compensation pursuant to the provisions of the Educational Incentive Program established and adopted by the City Council shall be entitled to receive such additional compensation as set forth in the Program during the period of said sworn personnel's eligibility and entitlement. The City Manager shall promulgate rules and regulations as may be necessary to effectuate and govern the operation of said Educational Incentive Program. Such additional compensation as may be paid under this Program shall be appropriately identified and symbolized on all official payrolls and all records pertaining to said employee's compensation.

Section 9. Officers and employees currently eligible for sick leave reimbursement under provisions of the Sick Leave Reimbursement Program heretofore established and adopted by the City Council shall be deemed to have vested rights thereto and shall continue to be entitled to receive such benefit pursuant to the provisions of said program, repeal thereof notwithstanding. The City Manager shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the

operation of a Sick Leave Reimbursement Program, should such program be established, for all officers and employees of the City hired subsequent to the effective date of this ordinance.

Section 10. In fixing and approving the Standard Rates for the officers and employees of the City, this Council has recognized the necessity to increase certain salaries heretofore paid, and in so doing the Council has intended and does hereby intend in fixing said rates, that where a Standard Rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased shall be entitled to the rate of increase granted, and that such new rate of pay shall be fixed so as to apply to the same step under the new Standard Rate that said employee occupied under the old Standard Rate.

As relates to those classes of employees represented by Local 127, AFSCME, pursuant to the Employer-Employee Relations Policy of The City of San Diego, the Council hereby authorizes and directs the Auditor and Comptroller to pay all employees occupying positions in said classes as listed in the table of employee classifications, attached hereto as Exhibit E, an additional monthly salary increase of \$43.60, said sum to be in addition to the Standard Rate attached to the position as shown in Exhibit B and to become thereby a part of base compensation for all purposes, contributions, deductions, computations and considerations set forth in this ordinance. The Auditor and Comptroller shall compute the additional monthly salary increase

into approximately equal biweekly amounts in order to include such amounts in warrant checks issued by the Auditor and Comptroller each pay period as compensation to such employees.

Section 11. There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Unclassified, granted terminal leave prior to termination of City service, shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences and is reflected upon the official payroll time sheet of the City. Upon transfer to said class and for the entire period of said terminal leave, such employee shall be paid at the rate and step established for the position occupied by him at the time of his transfer. Such employee shall be considered an employee of the department in which he was serving at the time of his transfer to terminal status, for purposes of accountability only, but his position as authorized by the annual appropriation ordinance shall be deemed vacated for the purpose of replacing the "Terminal Employee." The Civil Service Commission shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the status of "Terminal Employees."

Section 12. This ordinance shall take effect and be in force on July 1, 1975.

attached thereto) are hereby adopted.

Section 3. As a schedule of compensation for all officers and employees of The City of San Diego, with the exception of the EXECUTIVE category of the Unclassified Service, there is hereby established and adopted a Table of Pay for Standard Rates indicating biweekly salaries, and containing minimum, maximum and intermediate range steps for each Standard Rate. Biweekly salaries and ranges thereof for said Standard Rates are set forth in the Salary Schedule attached hereto as Exhibit A.

There is hereby established and adopted an EXECUTIVE category within the Unclassified Service of The City of San Diego containing ranges of Executive 01 through Executive 06 for all officers and employees serving in the positions listed in Exhibit C under EXECUTIVE. As a schedule of compensation for all officers and employees in the EXECUTIVE category, there is hereby established and adopted an Executive Salary Schedule indicating salary ranges for biweekly salaries and containing incremental steps within each Executive range. Said salary ranges and incremental steps are set forth in the Executive Salary Schedule attached hereto as Exhibit D.

The Executive classification of any position listed in Exhibit C may be changed from one Executive range to another only by official action of the City Council.

The "Equivalent Monthly Rates" set forth in Exhibits A and D are for comparative and informational purposes only.

Section 4. For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use as a base that amount heretofore established in Section 1 herein as per annum compensation for the Mayor and Council or that amount fixed in the Standard Rate or incremental step heretofore set forth in exhibits hereto. Warrant checks issued for compensation to such officers and employees by such City Auditor and Comptroller shall be for the appropriate amount set forth in the schedule of compensation for the Mayor and Council or in the Standard Rate or incremental step attached to the position as indicated in exhibits attached hereto.

**Section 5.** Increases in compensation for employees in the Classified Service within the range limits of the Standard Rate number attached to the position may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

The compensation for officers and employees in the Unclassified Service, excluding the EXECUTIVE category listed in Exhibit C, shall be determined and set by the appointing authority at any one of the range steps of the Standardized Rate numbers attached to the position.

The compensation for officers and employees in the EXECUTIVE category listed in Exhibit C shall be determined and set by the appropriate appointing authority at any one of the incremental steps of the range attached to the Executive Classification. Incremental steps shall be as set forth in Exhibit D attached hereto. In the case of the City Attorney, said determination and setting shall be made by the City Council pursuant to Section 40 of the Charter of The City of San Diego.

... Increases in compensation for all officers and employees in the Un-classified Service within the range limits of the Standard Rate number attached to the position or salary range attached to the Executive classification may be granted by the appointing authority upon the basis of

**Section 3.** For the purpose of a nomination, the following shall be

Section 6. For the purpose of computing vacations, leaves of absence, overtime and terminal severance pay for personnel other than firemen and part-time employees, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eighty (80) hour biweekly work period. For firemen and part-time employees, the Auditor and Comptroller is authorized to utilize appropriate computations established in cooperation with the City Manager and Personnel Director.

Section 7. The members of the Classified Service, other than firemen and part-time employees, shall receive the salaries provided herein as compensation in full for work performed by them during an average eighty (80) hour biweekly work period throughout the fiscal year, except as hereinafter provided.

The Civil Service Commission shall establish and supervise a uniform extra compensation plan which shall provide overtime pay not to exceed one and one-half (1 1/2) times an eligible employee's regular base rate of pay, or time off in proportion and at his regular rate.

or time off in lieu thereof, and shall provide for extra compensation of one Standard Rate whenever an eligible employee is required for a significant period to work at times substantially unusual for his class of employment, such as (1) working a night shift in which the majority of the hours of work scheduled for said employee throughout any pay period are before 8 a.m. or after 6 p.m., or (2) on a long-term schedule, working a shift regularly split by more than two (2) consecutive hours or such other work schedule as may be determined by the Civil Service Commission and the City Manager or nonmanagerial appointing authority to be substantially unusual for the class of employment. An eligible employee who is required to work under more than one of the unusual conditions indicated above shall receive one Standard Rate increase for each of said unusual conditions which shall be certified by the appointing authority on the official payroll time sheets to the Personnel Director. Such increases in compensation shall be identified and symbolized on all official payrolls and all records pertaining to said employee's compensation. When one or more of the said working conditions are commonly accepted conditions for the class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class and such determination shall be final.

In addition to the foregoing provisions for extra compensation, an employee who has been released from work and has left the work premises shall, if called back to duty, be paid for the reasonable estimate of the time required for said employee to travel from and to his or her residence and the work area and for the time the employee actually works. The total time of call-back pay, including travel time, shall not be less than two (2) hours, and shall be computed at the employee's regular rate or at one and one-half (1 1/2) times said rate if the employee is designated as eligible for premium overtime pay.

The employees in the Classified Service who shall be eligible for and entitled to receive overtime compensation, as herein provided, shall be designated by the Civil Service Commission in the Personnel Manual of The City of San Diego after consultation with the City Manager and/or nonmanagerial department heads and shall be in accordance with the definitions and procedures developed by the Civil Service Commission and the City Auditor and Comptroller in cooperation with the said appointing authorities, which said definitions and procedures shall be final, conclusive and binding on all appointing authorities and officers and employees, it being the intention of this Council that authority and responsibility for determining eligibility for overtime compensation pursuant to the provisions of this ordinance be vested in the Civil Service Commission.

Section 8. Sworn personnel in the Police Department eligible for extra compensation pursuant to the provisions of the Educational Incentive Program established and adopted by the City Council shall be entitled to receive such additional compensation as set forth in the Program during the period of said sworn personnel's eligibility and entitlement. The City Manager shall promulgate rules and regulations as may be necessary to effectuate and govern the operation of said Educational Incentive Program. Such additional compensation as may be paid under this Program shall be appropriately identified and symbolized on all official payrolls and all records pertaining to said employee's compensation.

Section 9. Officers and employees currently eligible for sick leave reimbursement under provisions of the Sick Leave Reimbursement Program heretofore established and adopted by the City Council shall be deemed to have vested rights thereto and shall continue to be entitled to receive such benefit pursuant to the provisions of said program, repeal thereof notwithstanding. The City Manager shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the operation of a Sick Leave Reimbursement Program, should such program be established, for all officers and employees of the City hired subsequent to the effective date of this ordinance.

Section 10. In fixing and approving the Standard Rates for the officers

Section 10. In fixing and approving the Standard Rates for the officers and employees of the City, this Council has recognized the necessity to increase certain salaries heretofore paid, and in so doing the Council has intended and does hereby intend in fixing said rates, that where a Standard Rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased shall be entitled to the rate of increase granted, and that such new rate of pay shall be fixed so as to apply to the same step under the new Standard Rate that said employee occupied under the old Standard Rate.

As relates to those classes of employees represented by Local 127, AFSCME, pursuant to the Employer-Employee Relations Policy of The City of San Diego, the Council hereby authorizes and directs the Auditor and Comptroller to pay all employees occupying positions in said classes as listed in the table of employee classifications, attached hereto as Exhibit E, an additional monthly salary increase of \$43.60, said sum to be in addition to the Standard Rate attached to the position as shown in Exhibit B and to become thereby a part of base compensation for all purposes, contributions, deductions, computations and considerations set forth in this ordinance. The Auditor and Comptroller shall compute the additional monthly salary increase into approximately equal biweekly amounts in order to include such amounts in warrant checks issued by the Auditor and Comptroller each pay period as compensation to such employees.

as compensation to such employees.

Section 11. There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Unclassified, granted terminal leave prior to termination of City service, shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences and is reflected upon the official payroll time sheet of the City. Upon transfer to said class and for the entire period of said terminal leave, such employee shall be paid at the rate and step established for the position occupied by him at the time of his transfer. Such employee shall be considered an employee of the department in which he was serving at the time of his transfer to terminal status, for purposes of accountability only, but his position as authorized by the annual appropriation ordinance shall be deemed vacated for the purpose of replacing the "Terminal Employee." The Civil Service Commission shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the status of "Terminal Employees."

Section 12. This ordinance shall take effect and be in force on July 1, 1975.
