

ORDINANCE NO. **11695**
(New Series)

OCT 8 1975

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, DIVISION 4
OF THE SAN DIEGO MUNICIPAL CODE BY AMENDING SECTION
101.0414 RELATING TO THE RV ZONE.

BE IT ORDAINED, by the Council of The City of San Diego,
as follows:

Section 1. That Chapter X, Article 1, Division 4 of the San
Diego Municipal Code be amended by amending Section 101.0414 to
read as follows:

SEC. 101.0414 RV ZONE

A. PURPOSE AND INTENT

The RV Zone is intended to designate areas for relatively small
scale hotel and motel developments and medium density, multiple residential
developments which accommodate both short and long-term visitors to the
City and permanent apartment dwellers. The zone is expressly designed
for application to areas in the vicinity of major tourist attractions or
recreational areas where existing subdivision, ownership and land use
patterns make the assembly and development of large parcels of land to
accommodate extensive commercial recreation facilities either extremely
difficult or impossible. This zone does not contemplate development of
the full range of visitor services and facilities provided for in the CP
Zone; therefore, it is intended that this zone be located in close
proximity to commercial zones which can meet the convenience and service
needs of visitors and residents. The regulations of the zone are designed
to minimize any adverse effects of motel and hotel facilities on multiple
residential developments within or abutting this zone.

(2) Corner lot - 100 feet.

d. Depth - 100 feet.

e. Exception. Any lot which qualifies under the definition of a lot as set forth in this Code and which does not comply in all respects with the minimum lot dimensions specified herein may nevertheless be used as permitted and otherwise regulated by the provisions applicable to this zone.

2. Minimum Yards.

a. Front - 15 feet, except that for any portion of a lot which fronts on a turnaround or on a curving street having a radius of curvature of less than 100 feet, the minimum front yard shall be ten feet.

b. Side.

(1) Interior - four feet, except that the interior side yard specified herein shall be increased three feet for each story above two.

(2) Street - 10 feet, except that the minimum shall be:

(a) Nine feet for any lot having a width of 45 feet but less than 50 feet;

MICROFILMED

- (b) eight feet for any lot having a width of 40 feet but less than 45 feet;
 - (c) seven feet for any lot having a width of 35 feet but less than 40 feet;
 - (d) six feet for any lot having a width of 30 feet but less than 35 feet; and
 - (e) five feet for any lot having a width of less than 30 feet.
- c. Rear - 15 feet, except that the rear yard specified herein shall be increased three feet for each story above two.
- d. Exception. Two adjoining lots which have a common side lot line and which are developed concurrently may be developed with zero side yards on the said common side lot line provided that each opposite interior side yard is not less than eight feet, which shall be increased three feet for each story above two.

3. Maximum Coverage.

- a. Interior lot - 50 percent.

MICROFILMED

premises; the said on-street parking space being not less than 20 feet in length measured along a full height curb; provided, however, that an alternative driveway spacing and location may be approved by the City Manager if such alternative will result in a maximum number of on-street parking spaces being provided.

5. Landscaping.

Prior to the use and occupancy of any premises, the entire required front and street side yards shall be suitably landscaped except for those areas occupied by driveways and walkways. In no case shall the required landscaped area be less than 40 percent of the total areas included in the required front and street side yards. Prior to the issuance of any building permits, a complete landscaping plan shall be submitted to the Zoning Administrator for approval; said landscaping plan shall be in conformance with standards adopted by the Planning Commission as set forth in the document entitled, "Development and Maintenance Standards - Landscaping," on file in the office of the Planning Department. Substantial conformance shall be determined by the Zoning Administrator; said determination shall be subject to appeal in the manner set forth in Chapter X, Article I, Division 5 of the San Diego Municipal Code. Required landscaping and required watering system shall be installed prior to the use of the premises. All required landscaped areas shall be permanently maintained in accordance with the adopted standards referred to in this paragraph.

6. Outdoor Storage.

Outdoor storage of merchandise, material or equipment shall be permitted only when incidental to a permitted use located on the same premises and provided that:

- a. The storage area shall be completely enclosed by wall, fences, or buildings or a combination thereof. Any walls or fences shall be solid and not less than six feet in height.
- b. There shall be no outdoor storage of merchandise, materials, equipment or other goods to a height greater than that of any enclosing wall, fence or building.

7. Floor Area Ratio

The basic floor area ratio shall be 1.80, except as otherwise provided herein, and shall be utilized only in accordance with the provisions of this paragraph.

- a. Two-thirds of the basic floor area ratio, or a total of 1.20, may be utilized for any use or accessory use listed in paragraph "B." of this section.

d. "Unenclosed area bonus" -- an additional amount of gross floor area may be added to the gross floor area permitted by the basic floor area ratio, including the maximum obtainable "reduced coverage bonus" floor area ratio. This "unenclosed area bonus" area may not exceed the unenclosed area at the first floor level and is subject to the following conditions:

(1) The total combined basic and "reduced coverage bonus" floor area ratios of 2.10 must be fully utilized prior to utilizing any "unenclosed area bonus" gross floor area.

(2) The "unenclosed area" must be provided by maintaining at least 25 percent of the parcel coverage area unenclosed at the first story level as illustrated in illustrations "A.1." and "A.2." below. This "unenclosed area" shall not be included in calculating the basic floor area ratio.

8. Exception Procedure to Floor Area Ratio.

a. Application. Upon filing of a letter of request with the Planning Department for an exception to paragraph "E.7." of this section, which letter shall be accompanied by appropriate schematic plot plans, typical floor plans, building elevations and preliminary grading plans, the Planning Commission shall set a public hearing in accordance with the noticing and hearing procedures as set forth in Chapter X, Article 1, Division 5 of the San Diego Municipal Code. It is the intent hereof that such plans shall be limited to such detail as will inform the Planning Commission as to the matters included within the criteria set forth below.

b. Decision. After the public hearing, the Planning Commission may, by resolution, grant an exception to paragraph "E.7." of this section, if the Planning Commission finds from the evidence presented at the hearing that all of the following facts exist:

(1) The proposed building or structure at the particular location and under the proposed conditions of develop-

- (2) The proposed building or structure will comply with the regulations and conditions specified in the Code for such structures.
- (3) The granting of an exception will not adversely affect any adopted plan of any governmental agency.

In addition to requiring compliance with applicable provisions of the San Diego Municipal Code, the Planning Commission in granting an exception to paragraph "E.7." may grant exceptions to or impose other and/or additional conditions relating to the requirements of paragraph "E." as it may deem necessary or desirable to meet the requirements of this section.

In granting any exception, the Planning Commission shall make a written finding which shall specify facts relied

upon in rendering its decision and shall set forth wherein the facts and circumstances fulfill or fail to fulfill the requirements of this section. Copies of the resolution granting the exception shall be filed with the City Clerk, the Department of Building Inspection, and the County Recorder of San Diego County, and shall be mailed to the applicant.

c. Appeal to the City Council from the decision of the Planning Commission. The decision of the Planning Commission shall be final on the eleventh day following such filing in the Office of the City Clerk except when appeal is taken to the City Council in accordance with the procedures as set forth in Chapter X, Article 1, Division 5 of the San Diego Municipal Code.

9. Other Applicable Regulations.

Other applicable property development regulations are contained in Division 6 of this Article.

F. OFF-STREET PARKING REGULATIONS

1. Every premises used for one or more of the permitted uses listed in "B." above shall be provided with a minimum of permanently maintained, off-street parking spaces in a parking area or private garage on the same premises as follows:

(New Series)

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 1, DIVISION 4 OF THE SAN DIEGO MUNICIPAL CODE BY AMENDING SECTION 101.0414 RELATING TO THE RV ZONE.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:
Section 1. That Chapter X, Article 1, Division 4 of the San Diego Municipal Code be amended by amending Section 101.0414 to read as follows:

**SEC. 101.0414 RV ZONE
A. PURPOSE AND INTENT**

The RV Zone is intended to designate areas for relatively small scale hotel and motel developments and medium density, multiple residential developments which accommodate both short and long-term visitors to the City and permanent apartments dwellers. The zone is expressly designed for application to areas in the vicinity of major tourist attractions or recreational areas where existing subdivision, ownership and land use patterns make the assembly and development of large parcels of land to accommodate extensive commercial recreation facilities either extremely difficult or impossible. This zone does not contemplate development of the full range of visitor services and facilities provided for in the CP Zone; therefore, it is intended that this zone be located in close proximity to commercial zones which can meet the convenience and service needs of visitors and residents. The regulations of the zone are designed to minimize any adverse effects of motel and hotel facilities on multiple residential developments within or abutting this zone.

B. PERMITTED USES

No building or improvement or portion thereof shall be erected, converted, established, altered or enlarged, nor shall any lot or premises be used except for one or more of the following purposes:

1. Apartment houses.
2. Boarding and lodging houses.
3. Public parks and public playgrounds.
4. Hotels and motels.
5. Private clubs, lodges and fraternal organizations.
6. Public utility electric distribution substations, gas regulators and communication equipment buildings developed in accordance with building and landscaping plans approved by the Zoning Administrator.
7. Accessory uses customarily incidental to any of the foregoing permitted uses, including the following:
 - a. Not more than two lodgers per dwelling unit.
 - b. Recreational and health facilities which are designed, used and clearly intended for the use of residents of apartment houses, boarding and lodging houses, including tennis courts, putting greens, exercise rooms and saunas and steam baths.
 - c. Service establishments in residential complexes containing not less than 30 dwelling units which are designed, used and clearly intended for the primary convenience of the occupants of the residential complex, including the following:
 - (1) Barber shops.
 - (2) Beauty shops.
 - (3) Communal dining facilities.
 - (4) Snack bars.
 - (5) Dry cleaning and laundry pickup agencies.
 - d. Incidental businesses in hotels and motels may include, under the regulations presented herein, the following:
 - (1) Restaurants and bars.
 - (2) News and tobacco stores.
 - (3) Barber shops.
 - (4) Beauty shops.
 - (5) Valet services (agency for laundering, cleaning and pressing of clothing).
 - (6) Travel, ticket and car rental agencies.
 - (7) Gift shops.
 - (8) Florists.

c. Signs.

- (1) Wall signs as defined in Section 101.0101.240 designating the permitted uses of the premises, provided that no such sign shall project above the parapet or eaves of the building to which affixed. In addition, one single or double-faced freestanding sign designating the permitted uses of the premises facing or adjacent to each street abutting the property. The height of any freestanding sign shall not exceed eight feet measured vertically from the base at ground level to the apex of the sign.
- (2) For parking lots - one single or double-faced freestanding directional sign located at each driveway. Said directional sign shall not exceed two square feet in total face area and four feet in height measured vertically from the base at ground level to the apex of the sign.
- (3) The combined total face area of all wall and freestanding signs on the premises, excluding signs designating the premises for sale, rent or lease, shall not exceed one-fifth of a square foot for each linear foot of street frontage.
- (4) For all premises - one single or double-faced freestanding sign with maximum area of eight feet offering the premises for sale, rent or lease. Said sign shall not exceed a height of four feet measured vertically from the base at ground level to the apex of the sign. Such sign may be located anywhere on the premises.
- (5) Signs permitted herein may be lighted; however, none shall contain visibly moving parts or be illuminated by flashing lights.

8. Any other uses, including accessory uses, which the Planning Commission may find to be similar in character to the uses enumerated in "B." above and consistent with the purpose and intent of this zone. The adopted resolution embodying such findings shall be filed in the office of the City Clerk.

C. SPECIAL REGULATIONS

1. All accessory uses shall be located in the same building as the permitted uses which they serve. There shall be no entrance to any such accessory uses except through a foyer, court, lobby, hall, patio or other similar interior area. However, neither of the foregoing regulations shall be applicable to accessory uses exclusively serving outdoor recreational activities. No signs, displays or advertising relating to accessory uses shall be visible from any street. The combined gross floor area of all accessory uses, excluding outdoor recreational facilities, on any premises shall occupy not more than 20 percent of the gross floor area of the permitted use.
2. No mechanical equipment, tank, duct, elevator enclosure, cooling tower or mechanical ventilator shall be erected, constructed, maintained or altered anywhere on the premises unless all such equipment and appurtenances are contained within a completely enclosed penthouse or other portion of a building having walls and roofs with construction and appearance similar to the main building.

D. DENSITY REGULATIONS

No lot shall be occupied by more than one dwelling unit or two guest rooms for each 1,000 square feet of lot area.

E. PROPERTY DEVELOPMENT REGULATIONS

No building or portion thereof shall be erected, constructed, converted, established, altered or enlarged, nor shall any lot or premises be used unless the lot or premises and building or portion thereof shall comply with the following requirements and special regulations:

1. Minimum Lot Dimensions.

- a. Area - 10,000 square feet.
- b. Street frontage - 100 feet, except that for any lot which fronts principally on a turnaround or on a curving street having a radius of curvature of less than 100 feet, the minimum frontage shall be 60 feet.
- c. Width.
 - (1) Interior lot - 100 feet.
 - (2) Corner lot - 100 feet.
- d. Depth - 100 feet.

e. Exception. Any lot which qualifies under the definition of a lot as set forth in this Code and which does not comply in all respects with the minimum lot dimensions specified herein may nevertheless be used as permitted and otherwise regulated by the provisions applicable to this zone.

2. Minimum Yards.

- a. Front - 15 feet, except that for any portion of a lot which fronts on a turnaround or on a curving street having a radius of curvature of less than 100 feet, the minimum front yard shall be ten feet.
- b. Side.
 - (1) Interior - four feet, except that the interior side yard specified herein shall be increased three feet for each story above two.
 - (2) Street - 10 feet, except that the minimum shall be:
 - (a) Nine feet for any lot having a width of 45 feet but less than 50 feet;
 - (b) eight feet for any lot having a width of 40 feet but less than 45 feet;
 - (c) seven feet for any lot having a width of 35 feet but less than 40 feet;
 - (d) six feet for any lot having a width of 30 feet but less than 35 feet; and
 - (e) five feet for any lot having a width of less than 30 feet.
- c. Rear - 15 feet, except that the rear yard specified herein shall be increased three feet for each story above two.
- d. Exception. Two adjoining lots which have a common side lot line and which are developed concurrently may be developed with zero side yards on the said common side lot line provided that each opposite interior side yard is not less than eight feet, which shall be increased three feet for each story above two.

3. Maximum Coverage.

- a. Interior lot - 60 percent.
- b. Corner lot - 60 percent.
- c. Maximum coverage for any premises, upon which is located a building of five or more stories, shall be reduced in accordance with the following provisions of Table I below:

STORIES	TABLE I MAXIMUM PARCEL COVERAGE
1-4	50/60%
5	37%
6	32%
7	28%
8	25%
9	23%
10 or more	21%

4. Maximum Driveway Width.

No driveway shall exceed a width of 25 feet measured at the property line and there shall be no less than 45 feet measured at the property line between driveways serving the same premises. Driveways shall be located as to provide at least one on-street parking space for each 50 feet of frontage of the premises; the said on-street parking space being not less than 20 feet in length measured along a full height curb; provided, however, that an alternative driveway spacing and location may be approved by the City Manager if such alternative will result in a maximum number of on-street parking spaces being provided.

5. Landscaping.

Prior to the use and occupancy of any premises, the entire required front and street side yards shall be suitably landscaped except for those areas occupied by driveways and walkways. In no case shall the required landscaped area be less than 40 percent of the total areas included in the required front and street side yards. Prior to the issuance of any building permits, a complete landscaping plan shall be submitted to the Zoning Administrator for approval; said landscaping plan shall be in conformance with standards adopted by the Planning Commission as set forth in the document entitled, "Development and Maintenance Standards - Landscaping," on file in the office of the Planning Department. Substantial conformance shall be determined by the Zoning Administrator; said determination shall be subject to appeal in the manner set forth in Chapter X, Article 1, Division 5 of the San Diego Municipal Code. Required landscaping and required watering system shall be installed prior to the use of the premises. All required landscaped areas shall be permanently maintained in accordance with the adopted standards referred to in this paragraph.

6. Outdoor Storage.

Outdoor storage of merchandise, material or equipment shall be permitted only when incidental to a permitted use located on the same premises and provided that:

- a. The storage area shall be completely enclosed by wall, fences, or buildings or a combination thereof. Any walls or fences shall be solid and not less than six feet in height.
- b. There shall be no outdoor storage of merchandise, materials, equipment or other goods to a height greater than that of any enclosing wall, fence or building.

7. Floor Area Ratio.

The basic floor area ratio shall be 1.80, except as otherwise provided herein, and shall be utilized only in accordance with the provisions of this paragraph.

- a. Two-thirds of the basic floor area ratio, or a total of 1.20, may be utilized for any use or accessory use listed in paragraph "B." of this section.
- b. One-third of the basic floor area ratio, or a total of 0.60, may be utilized only for off-street parking; provided, however, that all or part of the parking floor area ratio may instead be utilized for any other permitted use listed in paragraph "B." of this section in exact proportion to the amount of floor area provided in an underground parking structure or structures

located on the premises and utilized exclusively for required parking, and further provided, that any required parking that is not placed in an underground structure is completely enclosed within a building or buildings located on the premises.

- c. A floor area ratio "reduced coverage bonus" of 0.30 maximum may be utilized in increments of 0.05, provided that parcel coverage is reduced in conformance with the following Table II:

STORIES	INCREMENTAL BONUS	ACCUMULATED BONUS	TOTAL PERMITTED F.A.R.	MAXIMUM PARCEL COVERAGE
1-4	None	None	1.80	50/60%*
5	0.05	0.05	1.85	37%
6	0.05	0.10	1.90	32%
7	0.05	0.15	1.95	28%
8	0.05	0.20	2.00	25%
9	0.05	0.25	2.05	23%
10 or more	0.05	0.30	2.10	21%

*See Paragraph "E.3."

- (1) The maximum applicable parcel coverage regulations shall be determined by the number of minimum required stories.
- (2) The accumulated bonus may be utilized for any use or accessory use permitted by paragraph "B." of this section or for off-street parking.
- (3) The "reduced coverage bonus" may be utilized only if the full basic floor area ratio set forth in this paragraph is utilized.
- d. "Unenclosed area bonus"—an additional amount of gross floor area may be added to the gross floor area permitted by the basic floor area ratio, including the maximum obtainable "reduced coverage bonus" floor area ratio. This "unenclosed area bonus" area may not exceed the unenclosed area at the first floor level and is subject to the following conditions:
- (1) The total combined basic and "reduced coverage bonus" floor area ratios of 2.10 must be fully utilized prior to utilizing any "unenclosed area bonus" gross floor area.
 - (2) The "unenclosed area" must be provided by maintaining at least 25 percent of the parcel coverage area unenclosed at the first story level as illustrated in Illustrations "A.1." and "A.2." below. This "unenclosed area" shall not be included in calculating the basic floor area ratio.

- (7) The "unenclosed area bonus" gross floor area may be utilized to accommodate any use permitted by the provisions of paragraph "B." of this section.

8. Exception Procedure to Floor Area Ratio.

- a. Application. Upon filing of a letter of request with the Planning Department for an exception to paragraph "E.7." of this section, which letter shall be accompanied by appropriate schematic plot plans, typical floor plans, building elevations and preliminary grading plans, the Planning Commission shall set a public hearing in accordance with the noticing and hearing procedures as set forth in Chapter X, Article 1, Division 5 of the San Diego Municipal Code. It is the intent hereof that such plans shall be limited to such detail as will inform the Planning Commission as to the matters included within the criteria set forth below.

- b. Decision. After the public hearing, the Planning Commission may, by resolution, grant an exception to paragraph "E.7." of this section, if the Planning Commission finds from the evidence presented at the hearing that all of the following facts exist:

- (1) The proposed building or structure at the particular location and under the proposed conditions of development with regard to good planning practice, including provisions for height, building bulk, yards, open space, lot coverage, grading and related matters, will provide equally as well for light and air, for the public health, safety and convenience, and the preservation of the general welfare of the community as if developed to the limits imposed by the provisions of paragraph "E." of this section and other zoning regulations applicable to the property in question.
- (2) The proposed building or structure will comply with the regulations and conditions specified in the Code for such structures.
- (3) The granting of an exception will not adversely affect any adopted plan of any governmental agency.

In addition to requiring compliance with applicable provisions of the San Diego Municipal Code, the Planning Commission in granting an exception to paragraph "E.7." may grant exceptions to or impose other and/or additional conditions relating to the requirements of paragraph "E." as it may deem necessary or desirable to meet the requirements of this section.

In granting any exception, the Planning Commission shall make a written finding which shall specify facts relied upon in rendering its decision and shall set forth wherein the facts and circumstances fulfill or fail to fulfill the requirements of this section. Copies of the resolution granting the exception shall be filed with the City Clerk, the Department of Building Inspection, and the County Recorder of San Diego County, and shall be mailed to the applicant.

- c. Appeal to the City Council from the decision of the Planning Commission. The decision of the Planning Commission shall be final on the eleventh day following such filing in the Office of the City Clerk except when appeal is taken to the City Council in accordance with the procedures as set forth in Chapter X, Article 1, Division 5 of the San Diego Municipal Code.

9. Other Applicable Regulations.

Other applicable property development regulations are contained in Division 6 of this Article.
