

RESOLUTION NO. 212857Adopted on MAR 27 1975

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions as presented; NOW THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
Stephen E. Tallian Arthur C. Barlow	PLANNING	\$485	The suggesters, a Graphics Supervisor and a Senior Drafting Aide, jointly looked into a more economical way to handle the voluminous reproduction work required in the department. They came to the conclusion that a "Quick Copy" system supplemented by a copier would provide all required capacity at a substantial saving. Cost analysis shows this saves a net of \$4827 per year.
Herbert L. Eike	POLICE DEPARTMENT	\$240	This Lieutenant has been involved in traffic control at the San Diego Stadium. For years the practice has been to use flares in long rows to guide traffic into the parking area. Lt. Eike proposed a certain type of orange plastic pylon to be used to delineate traffic lanes. This was tried and found to be a good way. In addition to saving nearly \$2400 each year in the cost of flares, it eliminates the objectionable fumes from the flares and the heat damage to the surface of the road.

APPROVED: JOHN W. WITT, City Attorney
