

RESOLUTION NO. 213986

AUG 7 1975

BE IT RESOLVED, by the Council of The City of San Diego,
as follows:

That those recommendations on the funding of recreational facilities and programs to which the Ad Hoc Committee On Joint Recreational Facilities agreed unanimously at their meeting on June 13, 1975, which recommendations are as follows:

1. That the Ad Hoc Committee agree on the construction of swimming pools, where the school district will finance the construction of the swimming pools and the City will finance the construction of any needed dressing facilities and finance the operating and maintenance costs of the pools, operating and maintenance costs to be shared by the respective jurisdictions on a prorata basis from the date in time when the construction costs borne by the School District equals the construction costs plus operating and maintenance costs borne by the City;

2. That the Ad Hoc Committee endorse the Mesa College Auditorium as a project, with construction costs to be provided exclusively by the San Diego Community College District on land provided by the City of San Diego, the City's commitment to provide city land for this project to be dependent upon the council determining that said city land is not required for more urgent city transportation needs;

3. That the Ad Hoc Committee endorse the use of City-owned land at Morley Field for a regulation baseball diamond, with the provision that at this time the San Diego Unified School District provides no money for this project;
