RESOLUTION NO. 215409 FEB 25 1976

WHEREAS, The City of San Diego has received a letter dated June 11, 1975 from the United States Section of the International Boundary and Water Commission requesting The City of San Diego express its intention to contribute to the construction and right-of-way acquisition of the TIA JUANA VALLEY FLOOD CONTROL PROJECT, designated as Alternate III-A, and the making of assurances so that Congress is aware of the City's position; NOW, THEREFORE,

BE IT RESOLVED by the Council of The City of San Diego that this Council hereby requests Congress to amend, as expeditiously as possible, Public Law 89-640, if necessary, so federal participation funds may be reallocated; and subject to such amendment, the City will make available \$600,000 for right-of-way acquisition for said project, which monies may potentially be obtained or reimbursed from assessments to benefiting properties; and which monies are to be in addition to funds appropriated by the State of California and received by The City of San Diego and contributed by the City to said project for acquisition of right of way.
