NOW, THEREFORE, BE IT RESOLVED that The City of San Diego, recognizing that the San Diego area has, or is likely to have, water quality control problems, supports designation of the Area pursuant to Section 208 and the EPA guidelines.

BE IT FURTHER RESOLVED that The City of San Diego intends to join with other affected general and special purpose units of local government within the boundaries of the Area in a planning process which will result in a coordinated waste treatment management system for the Area.

BE IT FURTHER RESOLVED that, inasmuch as the Comprehensive Planning Organization (CPO) is a single representative organization with elected officials or their designees from local governments and is capable of coordinating effective areawide waste treatment management planning for the Area, The City of San Diego supports the designation of CPO as the planning agency for the Area.
