RESOLUTION NO. 216747

SEP 8 1976

WHEREAS, the Public Works Employment Act of 1976 provides for federal financial assistance to be utilized in a nationwide construction renovation, repair or other improvement of local public works projects which will provide employment opportunities and the construction of useful public facilities; and

WHEREAS, The City of San Diego is an eligible applicant to share with other governmental entities in such financial assistance; and

WHEREAS, a prerequisite to the processing of an application by the Economic Development Agency, the federal agency administering the Public Works Employment Act of 1976, is that on-site labor can begin within ninety (90) days of project approval by federal authorities; and

WHEREAS, Council Policy 300-7 establishes a policy for seeking and retaining the services of professional consultants for City programs which may require a thirty (30) to sixty (60) day time delay in the selection of a consultant for a project; and

WHEREAS, time is of the essence to complete processing of the application for these capital improvement projects, because of the 90-day on-site labor requirement; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

That Council Policy 300-7 relating to the hiring of consultants is hereby waived for all projects for which financing is to be requested in accordance with the Public Works Employment Act of 1976 provided that any contract to engage the services of a consultant in connection with projects thereunder shall require Council approval.
