

RESOLUTION NO. 216903

Adopted on R. 77-448  
OCT 6 1976

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions as presented; NOW THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
Laurie S. Lindeneau	Planning	\$90	Laurie Lindeneau is an Assistant Planner. She suggested a method for reducing the storage area and the time required to process job control language card decks in Planning computer analyses. This has saved the City \$897 in the first year of operation.
Edward J. Zitter	Police	\$50	Edward Zitter is a Sergeant in the Traffic Operations program. He suggested a new procedure for the routing of citizen complaints. This not only is expected to cut complaint response time, but it also is expected to save \$1,154 per year in personnel time. This is a partial award pending final 12-month review.
Danny L. Lenz	General Services	\$45	Danny Lenz is a Painter in the Buildings Division. Danny suggested that Recreation Facility Caretakers be supplied with the cleaning agent to remove graffiti from restroom stalls. This saves approximately \$443 per year in travel time required for the painters to do the job.
Robert V. Murphy	Park & Recreation	\$25	Robert Murphy is a Utility Supervisor in the Park Division. He suggested that a power sweeper be used to remove sand from ocean parks after storms. It is estimated that this will save \$250 per year in personnel time.
Russell S. Giles	Police	\$20	Russell Giles is a retired Police Sergeant. He suggested that the police vehicle public address system be adapted for use in the "Kids and Skids" program. His suggestion improves the quality of the presentation, and it is felt a \$20 award is merited.
David R. Hughey Francis L. Clemings	Park & Recreation	\$20	David Hughey and Francis Clemings are Utility Workers I in the Community Services Division. They suggested that extra net loops be welded on basketball rims to prevent repairing so frequently. It is difficult to estimate the savings of this suggestion, and this represents a partial award pending a final 12-month review.
