

WHEREAS, the subject of overtime compensation has been discussed by the Rules Committee; and

WHEREAS, the Council proposes to adopt a policy providing guidance in respect to control and use of employee overtime; and

WHEREAS, some concern has been voiced regarding the presentation of overtime projections in the annual budget document; and

WHEREAS, it has been requested that any overtime budgeted be reflected as an item separate and apart from other projected personnel expenses; and

WHEREAS, the Rules Committee of the City Council has reviewed this resolution and voted to clearly indicate that any overtime position-years listed in the budget be understood to be an estimate from which it cannot reasonably be inferred that a given level of staffing increase is justified; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

That the City Manager and all departments of the City submitting budget documents for City Council review and approval be directed to list as a separate item under personnel expense on the departmental summary page all overtime estimates in position-years and dollars.
