BACKGROUND

During the past two years the City of San Diego has worked cooperatively with the San Diego Unified School District in the turfing of school sites. This work was accomplished without formal policy guidelines and without consideration for total City-wide needs.

PURPOSE

To establish guidelines for future development of turfing of school sites.

2. City participation in the joint development of turfed fields will be according to the following criteria:
 - a. The City will notify the school district of park deficiencies and the City's priorities for turfing fields.
 - b. When school district(s) have funding available, the cost of development shall be assumed by the participating school district(s).
 - c. The size and design of the area must accomodate a variety of activities, e.g., youth baseball, soccer, football.
 - d. Plans and specifications for the area to be developed by the school district(s) must be approved by City prior to the beginning of construction.
