

402(c)

RESOLUTION No. 219274

Adopted on SEP 7 1977

BE IT RESOLVED, by the Council of The City of San Diego as follows:

Resolution No. 219274 was assigned to Item 402 due to a motion made by the City Council directing Western Broadcasters to test signal and determine that there will be no immediate interference prior to issuance of Conditional Use Permit No. 483-PC. It was later determined by the City Attorney's Office that this motion did not require a separate resolution; therefor the number will not be used.
