BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911 and amendments thereto, and that the alternate procedures authorized by Article XVI, Section 19 of the California Constitution and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code shall be followed in lieu of the procedures of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, such work being more particularly described as follows:

Section 1

DESCRIPTION OF WORK

That BRANT STREET, from 160 feet southerly of the centerline of Palm Street to 140 feet northerly of the centerline of Redwood Street, in said City, be improved by the installation of a water main, water services and house connections, and appurtenances.

That NORTH ARROYO DRIVE, from 275 feet southerly of Palm to its intersection with Brant Street, in said City, be improved by the installation of a water main, water services and house connections, and appurtenances.

That certain appurtenant work be constructed in Quince Street at its intersection with BRANT STREET and NORTH ARROYO DRIVE.

That the said work hereinabove described in BRANT STREET and NORTH ARROYO DRIVE, in said City, and streets intersecting therewith, shall be done to the grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to, and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

It is the opinion of the City Council that the public interest will not be served by allowing the property owners to take over the contract for the above-mentioned improvements; therefore, Section 5249, Division 7, Part 3, of the Streets and Highways Code will not apply.
