BE IT ORDAINED, by the Council of The City of San Diego, as follows: Section 1. That Chapter X, Article 1, of the San Diego Municipal Code be amended by amending Sections 101.0502 through 101.0508 to read as follows:

SEC. 101.0502 ZONE VARIANCE GRANTED BY ZONING ADMINISTRATOR

A. APPLICATION — FORM AND CONTENTS

Application for a zone variance may be made by the owner of the property affected or it may be initiated by the Zoning Administrator. Application shall be filed with the Zoning Administrator upon forms provided by him. The application shall state fully the circumstances and conditions relied upon as grounds for the application and shall be accompanied by adequate plans (including landscaping plans) and a legal description of the property involved.

B. HEARING BEFORE THE ZONING ADMINISTRATOR — PROCEDURE

1. An advertised public hearing shall be required when the application is for limited relief in the case of:

- Modification of distance or area regulations, provided such modification does not exceed 20 percent of required front, side, or rear yards nor exceed ten percent or maximum lot coverage regulations;
- Tenant real estate offices, model homes, and signs in connection therewith, provided that no such variance shall be granted for a period of more than one year;
- Additions to structures which are nonconforming as to side yard, rear yard, or lot coverage, provided the additions shall meet the requirements of the zoning regulations affecting the property; or
- Walls or fences to exceed heights permitted by the zoning regulations.

2. In all those cases listed in paragraph "B.1." of this section, the Zoning Administrator shall set a reasonable time for the consideration of the variance and give notice thereof to the applicant and may give notice to any other interested persons. Upon the date set for the hearing, the Zoning Administrator shall hear the application unless for cause he shall on that date continue the matter. If a date certain for the continued hearing is announced in the open meeting, no further notice thereof need be given.

3. In all other cases the Zoning Administrator shall set a date for public hearing and give notice of time, place and purpose of such hearing in accordance with the procedure set forth in paragraphs "B.3.a." or "B.3.b." of this section.

a. By depositing in the United States mail, postage prepaid, at least ten days prior to the date of such hearing, a notice addressed to the owner of each parcel of land lying within the subject property and within 300 feet of the existing boundaries of the subject property. The last known name and address of each owner as shown in the records of the County Assessor may be used for this notice.

b. By at least one publication of a notice in the City official newspaper, not less than ten days prior to the date of the hearing, and by posting notices, not less than ten days prior to the date of the hearing, in at least four public places within the subject property or within 300 feet of the boundaries of the subject property.

4. In addition to the methods set forth in paragraphs "B.3.a." or "B.3.b." of this section, the Zoning Administrator may use other methods which he finds to be desirable in giving proper notice to the hearing.

5. The mailed and posted notices referred to in paragraph "B.3." of this section shall be headed "NOTICE OF PUBLIC HEARING" in letters not less than one inch in height and shall recite in legible characters the following:

If a public hearing is held, he shall render his decision at the conclusion of the hearing.

2. The Zoning Administrator may grant a variance from the zoning provisions of the Municipal Code, when it shall appear from the facts contained in the application, from information obtained by the Zoning Administrator and from the evidence presented at the public hearing, if such is held, that the following conclusions can be reached:

- There are special circumstances or conditions applying to the land or buildings for which the adjustment is sought, such circumstances or conditions are peculiar to such land or buildings and do not apply generally to the land or buildings in the neighborhood. Such conditions shall not have resulted from any act of the applicant subsequent to the adoption of the applicable zoning ordinance.
- The aforesaid circumstances or conditions are such that the strict application of the provisions of the ordinance would deprive the applicant of the reasonable use of the land or buildings and that the variance granted by the City is the minimum variance that will accomplish this purpose.

c. The granting of the variance will be in harmony with the general purpose and intent of the zoning regulations and not be injurious to the neighborhood or otherwise detrimental to the public welfare.

d. The granting of the variance will not adversely affect the PROGRESS GUIDE AND GENERAL PLAN FOR THE CITY OF SAN DIEGO.

3. If the Zoning Administrator, after considering the facts presented in the case is unable to reach the conclusions set forth in paragraph "C.2." of this section, he shall deny the variance.

4. In granting a variance, the Zoning Administrator may impose such conditions as he deems necessary and desirable to protect the public health, safety and general welfare.

5. The written decision of the Zoning Administrator, which shall include a finding of facts relied upon in reaching his conclusions, shall be filed with the City Clerk, Director of Building Inspection, and, at the discretion of the Zoning Administrator, with the County Recorder of San Diego County. A copy shall be mailed to the applicant. The written decision shall not be filed with the County Recorder if it constitutes a denial of the variance.

6. When the decision of the Zoning Administrator is not appealed as provided for in Section 101.0504, his decision shall be final on the eleventh day following the filing of the decision in the office of the City Clerk in those cases where a public hearing was held, and shall be final on the sixth day following such filing in those cases where a public hearing was not held.

D. EXTENSION OF TIME

1. The Zoning Administrator may grant an extension of time to a valid variance which has been granted if he finds that there has been no material change of circumstances since the granting of the variance.

2. A request for an extension of time shall be in writing and shall be filed by the owner of the property covered by the variance. The request shall be filed with the Zoning Administrator who may require a public hearing on such request if he determines that a hearing is in the public interest. In the event that a hearing is ordered, the procedure for noticing shall be as set forth in paragraph "B." of this section.

3. The written decision of the Zoning Administrator granting or denying the extension of time shall contain a finding of facts relied upon in reaching his conclusions and shall be filed with the City Clerk, the Director of Building Inspection, the County Recorder of San Diego County and a copy shall be mailed to the applicant.
