The subsections that follow are enacted for the purpose
of implementing the foregoing amendments to the Charter.

MICROFILMED

SEC. 22.0210.1 SAME--ADVERTISING--MINIMUM MONETARY LIMIT

In the construction, reconstruction or repair of public buildings, streets, utilities and other public works when the expenditure therefor shall exceed the sum of \$10,000, the same shall be done by written contract and advertising for bids under the provisions of Section 94 of the City Charter. As to those public works contracts for which the expenditure shall not exceed \$10,000, the City Manager may let the same without advertising for bids if the Purchasing Agent has secured competitive prices from contractors interested and the City Manager has taken those prices under consideration before the contract is let.

City forces shall not be used on public works projects if the cost therefor exceeds the sum of \$5,000 unless the same shall have first been approved by the Council upon recommendation of the City Manager. When such Council approval is required, the City Manager shall indicate justification for the use of City forces and shall indicate whether the work can be done by City forces more economically than if let by contract. The City Manager may exercise his discretion on the use of City forces on public works projects when the cost therefor does not exceed the amount of \$5,000.

Section 2. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.
