Dear Councilman Williams:

As you can see from the enclosed brochure, our services have grown considerably in the past two years. We now feel most desires of the San Diego visitor are accommodated by our program. It is now, however, time to expand.

I'm delighted to inform you that we are applying to the Public Utilities Commission, State of California, for authority to conduct daily service to Disneyland/Lion Country Safari from here and to pick up people in Orange County and bring them to the zoo or Sea World.

We feel there is a tremendous need for this service, particularly in bringing people from Orange County to here.

The commission will hold a public hearing in the near future and at that hearing we will demonstrate the "need" for such authority.

However, we will need the support of everyone and every group in San Diego. We have asked for the official support of the cities of El Cajon, La Mesa, Chula Vista and Coronado. Additionally, we have asked the respective Chambers of Commerce in these cities to officially support this application. The San Diego Convention and Visitors Bureau, the zoo and Sea World are receiving their requests under separate cover.

With this letter, Councilman Williams, we formally request a resolution from the Land Use and Transportation Committee and the City Council of San Diego in support of our application.

I am prepared to appear before the committee and make a presentation if necessary.

We thank you for this opportunity and look forward to hearing from you.

I am, Cordially yours,

Raoul Lowery
President
