

RESOLUTION NO. 224074Adopted on JUL 2 1970

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions as presented; NOW THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
Ira E. Brown	Water Utilities	\$1000	Mr. Brown is a Plant Operator II in the Quality Division. He suggested that wash water valves be repaired rather than purchase new ones. Since valves are extremely expensive and prices rise monthly, savings to the City exceed \$36,800.
Brian G. Haynes	General Services	\$1000	Mr. Haynes is a Mechanic in the Equipment Division. He suggested that maintenance of the cutting edges of heavy duty equipment be done on the night shift. This change gets needed equipment back into service and reduces down time. Savings exceed \$21,150 annually.
Ralph W. Taylor	Police	\$ 750	One year ago Mr. Taylor earned a partial award of \$250 for his suggestion to copy arrested persons' rap sheets and send them to the unit handling the arrest. This drastically reduced the time needed to obtain prior records. The first year's savings of this idea exceeded \$45,905. This is the remainder of his award.
Ben D. Romero, Jr.	Water Utilities	\$ 410	Mr. Romero is a Senior Utility Supervisor in the Systems Division. He suggested that anti-rotating devices be installed on sewer pumps at Pump Station 77. These devices reduce pump damage. This is expected to save the City \$8,252 annually. This is a partial award pending a final 12-month review.
Donald W. Pyke	Water Utilities	\$ 350	Mr. Pyke is an Administrative Analyst in the Administration and Services Division. He suggested that the Quarterly Management Report periods be converted to coincide with City Auditor reporting periods. This is expected to save \$7048 annually in the time it takes to adjust data to conform with monthly periods. This is a partial award pending a final 12-month review.

APPROVED: JOHN W. WITT, City Attorney
