SECTION 101.0407 R-1 ZONES

A. PURPOSE AND INTENT

The R-1 Zones are designed to provide for areas of one-family residential development at varying levels of low and low-medium density consistent with the Progress Guide and General Plan for the City of San Diego or adopted community plans. Further, the provisions of these zones are intended to promote and protect those special amenities associated with a district of one-family homes.

Property development regulations applicable to the R-1 Zone include floor area ratio controls designed to limit mass of buildings constructed on R-1 lots. The regulations also include limitations on the use of substandard lots and a prohibition against the creation of substandard lots.

B. PERMITTED USES

No building or improvement or portion thereof, shall be erected, constructed, converted, established, altered or

0-15271

enlarged, nor shall any lot or premises be used except for one or more of the following purposes:

1. One-family dwellings.
2. Public parks, public playgrounds.
3. The growing of all types of plants, grasses, and trees; provided, however, that all fertilizers, empty containers, and nursery supplies are stored back of the front 70 feet or within the rear 30 percent of the lot, entirely within an enclosing fence impervious to light and debris or entirely within a completely enclosed building. This paragraph does not permit the sale of any product, crop or merchandise on the premises.
4. Temporary real estate sales offices and model homes in new subdivisions under the following conditions:
 - a. Within the boundaries of a subdivision where lots are offered for sale to the public for the first time, buildings and structures erected in compliance with the provisions of the prevailing zone may be used as follows: one building for a temporary real estate sales office and not more than six dwelling units for temporary

0-15271

demonstration or model home purposes. In addition, a subdivision containing more than 60 lots may use up to ten percent of such lots, but not more than 20 lots in any case for model home purposes. Such temporary uses shall be maintained only in conjunction with the sale or rent of land or buildings within such subdivision, and such uses shall terminate two years after the filing in the office of the County Recorder of the final subdivision map which includes the lots on which the uses are located.

- b. No use authorized by paragraph "B.4" of this section shall be established closer than 200 feet from any occupied dwelling unit not in the same subdivision.

- c. Each real estate sales office and each model home shall be permitted to display one sign not more than 16 square feet in area on the same premises advertising the subdivision in which the sales offices or home is located. In addition, the sales office shall be permitted to display one double-faced or two single-faced signs with a total face area of not more than 160 square feet advertising the subdivision. No freestanding sign

on the premises of a real estate office shall exceed a height of 12 feet measured vertically from the base at ground level to the apex of said sign. All such signs shall be removed prior to the second anniversary of the filing of the final subdivision map referred to in paragraph "B.4.a." above.

5. Accessory uses and buildings customarily incidental to any of the foregoing permitted uses including the following:

Not more than two lodgers, provided that these are housed within a one-family dwelling and the premises are in Zone R-1-5.

6. Signs.

Each one-family dwelling shall be permitted to display the following signs:

- a. One nameplate with a maximum area of one square foot.
- b. One unlighted sign with a maximum area of eight square feet offering the premise for sale, rent or

lease. Such sign shall not exceed a height of four feet measured vertically from the base at ground level to the apex of the sign and may be located anywhere on the premises.

C. DENSITY REGULATIONS

1. Lot Area Per Dwelling Unit.

No lot shall be occupied by more than one dwelling unit.

2. Floor Area Per Dwelling Unit.

Each dwelling unit shall have a minimum gross floor area of 650 square feet.

D. PROPERTY DEVELOPMENT REGULATIONS

No building or portion thereof shall be erected, constructed, converted, established altered, enlarged, or used, nor shall any lot or premises be used unless the lot or premises and building or portion thereof shall comply with the following requirements and special regulations:

1. Minimum Lot Dimensions:

- a. The minimum lot sizes and dimensions shown on Table 1 shall apply in the R-1 Zones.

TABLE 1
