

RESOLUTION NO.

R-252891

R. 81-701

OCT 14 1980

WHEREAS, The City of San Diego has worked with the Comprehensive Planning Organization ("CPO") to update the growth forecasts for the San Diego Region; and

WHEREAS, this cooperative region-wide effort was initiated in order to obtain a set of estimates to serve as a basis for regional planning; and

WHEREAS, these updated forecasts, for the year 2000, are consistent with The City of San Diego's adopted Progress Guide and General Plan and community plans, and will provide a basis for the planning of future sewage collection and treatment facilities as a component of the Areawide Water Quality Management Plan, the updated Air Quality Maintenance Plan, and other regional plans and studies; and

WHEREAS, local agreement on a consistent set of forecasts will minimize questions about population growth often raised by the federal and state agencies which fund wastewater treatment facilities, and hence save time and money for local jurisdictions seeking such funding; and

WHEREAS, these forecasts will be updated every two years, or more often if directed by the CPO Board, to reflect changes in actual growth patterns and changes in local and regional plans and policies; and

WHEREAS, the acceptance of these forecasts will have no effect on the state subventions received by The City of San Diego; NOW, THEREFORE,

01382

BE IT RESOLVED, by the Council of The City of San Diego, that the Series V Regional Growth Forecasts for the City and its six major statistical areas for the year 2000, as set forth in the attached table, be and are hereby accepted.

BE IT FURTHER RESOLVED, that these forecasts for the year 2000, as set forth in the attached table, be and are hereby authorized for use by the Comprehensive Planning Organization ("CPO") in the Areawide Water Quality Management Plan, Air Quality Maintenance Plan, Clearinghouse Review Procedures, regional transportation and housing planning, and other regional studies described in the approved CPO FY 1981-83 Overall Work Program.

BE IT FURTHER RESOLVED, that the City's representative to CPO be and is hereby authorized to support the adoption of the Series V Regional Growth Forecasts as an element of the Regional Comprehensive Plan.
